Notice of Routine Program Change

From the OREGON COASTAL MANAGEMENT PROGRAM
of the OREGON DEPARTMENT OF LAND CONSERVATION & DEVELOPMENT

DATE: June 15, 2012

NOTICE: Pursuant to 15 CFR Section 923.84 (federal Coastal Zone Management Act regulations), notice is hereby given that the Oregon Department of Land Conservation & Development (DLCD) has submitted a routine program change request to the federal Office of Ocean and Coastal Resources Management (OCRM). The request seeks to incorporate OAR Chapter 660, Division 35 into the federally-approved Oregon Coastal Management Program (OCMP).

As Oregon's designated lead agency for purposes of carrying out and responding to the Coastal Zone Management Act of 1972, DLCD reviews federal actions in the coastal zone to ensure that they are consistent with the enforceable policies of the OCMP. Division 35 governs those reviews.

DLCD has determined that this action constitutes a routine program change to DLCD's federally-approved coastal management program because the action does not make any substantial change to any enforceable policies or authorities related to: (1) uses subject to management; (2) special management areas; (3) boundaries; (4) authorities and organization; or (5) coordination, public involvement and national interest. DLCD has requested that OCRM concur with this determination.

ADDITIONAL INFORMATION: Additional information and related documents are available on the OCMP website at: http://www.oregon.gov/LCD/OCMP/PublicNotice_Intro.shtml

COMMENTS: Comments regarding whether this program modification does or does not constitute a routine program change may be submitted to OCRM within three weeks of the date of this notice. Please send all notices to:

Ms. Joelle Gore
Coastal Programs Division
NOAA/OCRM/CPD
N/ORM3
1305 East-West Highway
Silver Spring, MD 20910
