SUBJECT: *2011-2013 General Fund Grants for Technical Assistance and Periodic Review*

The Department of Land Conservation and Development is pleased to offer grant awards for land use planning projects in Oregon communities during the 2011-2013 biennium. The department is authorized to expend a grants budget of approximately \$1.6 million. If your community is considering a project that is eligible for grant funding, please complete and submit the attached application. For forms and instructions, please visit: <http://www.oregon.gov/LCD/grants.shtml>

Please also feel free to contact the DLCD regional representative for your community. For a current list of regional representatives, please visit: <http://www.oregon.gov/LCD/repstlist.shtml>

NOTE: Grant applications are due no later than September 1, 2011. Applicants are strongly encouraged to apply as early as possible. Applications received by the September 1 deadline will be awarded on a first come, first served basis according to a Grants Allocation Plan.

This memo addresses Technical Assistance and Periodic Review grants only. Other grants from the department's general fund (*e.g.*, Planning Assistance, Dispute Resolution and Columbia River Gorge National Scenic Area grants) are being offered separately.

Thanks in advance for your partnership in Oregon's statewide planning program.

We look forward to working with you.
