COUNTY PLANNING

215.010 Definitions for ORS 215.020 to 215.190. As used in ORS 215.020 to 215.190, the terms defined in ORS 92.010 shall have the meanings given therein.

[Amended by 1955 c.756 §25; 1963 c.619 §1 (1)]

215.020 Authority to establish county planning commission. The governing body of any county may create by ordinance a county planning commission, appoint its members and provide funds for its operation.

215.030 Membership of planning commission. (1) The county planning commission shall consist of five, seven or nine members appointed by the governing body for four-year terms, or until their respective successors are appointed and qualified; provided that in the first instance the terms of the initial members shall be staggered for one, two, three and four years. Any vacancy shall be filled by the governing body who may after hearing remove any member for misconduct or nonperformance of duty.

(2) Members of the commission shall serve without compensation other than reimbursement for duly authorized expenses.

(3) Members of the commission shall be residents of the county and a majority shall reside outside cities.

(4) The governing body may designate one or more officers of the county to be ex officio nonvoting members of the commission.

[Amended by 1963 c.619 §2]

215.040 Officers and employes of commission; rules. The commission may:

(1) Appoint necessary employes and fix their compensation with the approval of the governing body of the county.

(2) Select from its membership a chairman to serve for one year.

(3) Appoint a secretary who shall keep permanent and complete records of its proceedings.

(4) Adopt rules governing the transaction of its business.

215.050 Comprehensive plan. The commission shall adopt and may from time to time revise a comprehensive plan for the use of some or all of the land in the county. The plan may be adopted and revised part by part.

[Amended by 1955 c.439 §2; 1963 c.619 §3]

215.055 Standards for plan. (1) The plan and all legislation and regulations authorized

by ORS 215.010 to 215.233 shall be designed to promote the public health, safety and general welfare and shall be based on the following considerations, among others: The various characteristics of the various areas in the county, the suitability of the areas for particular land uses and improvements, the land uses and improvements in the areas, trends in land improvement, density of development, property values, the needs of economic enterprises in the future development of the areas, needed access to particular sites in the areas, natural resources of the county and prospective needs for development thereof, and the public need for healthful, safe, aesthetic surroundings and conditions.

(2) In order to conserve natural resources of the state, any land use zoning ordinance adopted by a county shall take into consideration lands that are, can or should be utilized for sources or processing of mineral aggregates.

[1955 c.439 §3; 1963 c.619 §4; 1971 c.13 §2; 1971 c.739 §1]

215.060 Procedure for action on plan; notice; hearing. Action by the commission regarding the plan shall have no legal effect unless the commission first conducts one or more public hearings on the plan and unless 10 days' advance public notice of each of the hearings is published in a newspaper of general circulation in the county or, in case the plan as it is to be heard concerns only part of the county, is so published in the territory so concerned and unless a majority of the entire commission approves the action. The notice provisions of this section shall not restrict the giving of notice by other means, including mail, radio and television.

[Amended by 1963 c.619 §5; 1967 c.589 §1]

215.070 [Repealed by 1963 c.619 §16]

215.080 Power to enter upon land. The commission, and any of its members, officers and employes, in the performance of their functions, may enter upon any land and make examinations and surveys and place and maintain the necessary monuments and markers thereon.

215.090 Information made available to commission. All public officials, departments and agencies, having information, maps and data deemed by the commission pertinent to county planning shall make such information available for the use of the county planning commission.

215.100 Cooperation with other agencies. The county planning commission shall advise and cooperate with other planning commissions within the state, and shall upon request, or on its own initiative, furnish advice or reports to any city, county, officer or department on any problem comprehended in county planning.

215.104 Interim zoning ordinance. (1) If the commission in good faith intends within a reasonable time to adopt a comprehensive plan of land use and to recommend to the governing body of the county a zoning ordinance to carry out the plan, and has conducted preliminary studies or hearings in connection with the proposed ordinance, the commission may recommend to the governing body, and the governing body may adopt, an interim zoning ordinance prohibiting for not more than three years any construction, reconstruction, alteration, use or transfer that is reasonably expected to conflict with the proposed ordinance.

(2) In the event the county has no planning commission, if the governing body of the county in good faith intends to create such a commission and to see that studies and hearings conducive to formulation and adoption of a comprehensive plan of land use or part or all of the county are promptly undertaken and that a zoning ordinance suitable for carrying out the plan is adopted within a reasonable time after the studies and hearings are undertaken, the governing body may adopt an interim zoning ordinance prohibiting for not more than three years any construction, alteration, use, or transfer that is reasonably expected to conflict with the plan.

(3) An interim zoning ordinance shall not be enacted unless the procedural requirements of ORS 215.223 are complied with. [1955 c.439 §4; 1963 c.619 §6; 1967 c.589 §2]

215.108 [1955 c.439 §5; 1961 c.607 §1; repealed by 1963 c.619 §18]

215.110 Preparation of ordinances by commission; submission to county governing body. (1) The commission may recommend to the governing body ordinances intended to carry out part or all of the comprehensive plan adopted by the commission. The ordinances may provide, among other things, for:

(a) Zoning,

(b) Official maps showing the location and dimensions of, and the degree of permitted access to, existing and proposed thoroughfares, easements and property needed for public purposes,

(c) Preservation of the integrity of the maps by controls over construction, by making official maps parts of county deed records, and by other action not violative of private property rights, and

(d) Conservation of the natural resources of the county

(2) The commission may also recommend to the county governing body ordinances re-naming public thoroughfares, numbering property, and controlling subdivision and other partitioning of land and the location, construction, maintenance, repair and alteration of buildings and other structures.

(3) The governing body may enact, amend or repeal ordinances recommended by authority of this section, together with whatever amendments it believes the public interest requires. The governing body may also enact, amend or repeal with reference to any subject mentioned in subsection (1) of this section, an ordinance on which the governing body initiates action, provided that it first requests from the commission a report and recommendation regarding the ordinance and allows a reasonable time for submission of the report and recommendation. The governing body may also enact, amend or repeal with reference to any subject mentioned in subsection (2) of this section, an ordinance on which the governing body initiates action, regardless of whether the county has a planning commission; provided that, in the event the county has a planning commission, the governing body first requests from the commission a report and recommendation regarding the ordinance and allows a reasonable time for submission of the report and recommendation.

(4) The governing body may refer to the legal voters of the county for their approval or rejection an ordinance or amendments thereto for which subsection (3) of this section provides. If only a part of the county is affected, the ordinance or amendment may be referred to that part only.

(5) An ordinance enacted by authority of this section may prescribe fees and appeal procedures necessary or convenient for carrying out the purposes of the ordinance. [Amended by 1963 c.619 §7]

215.120 [Amended by 1957 c.568 §2; repealed by 1963 c.619 §16]

215.130 Application of ordinances. (1) Any ordinance adopted under ORS 215.010 to 215.190 shall be a local law within the meaning of, and subject to, ORS 254.310.

(2) No ordinance adopted under ORS 215.010 to 215.190 shall apply to the area inside incorporated cities of the county, except as provided in ORS 227.310 and except as to cities not regularly operating as such through elected governmental officials.

(3) Ordinances adopted under ORS 215.010 to 215.190 may apply to state, school district and other publicly owned or occupied property, except property of the United States.

(5) The lawful use of any building, structure or land at the time of the enactment of any zoning regulation or amendment thereto, may be continued as such although not in conformity with the zoning regulation, but such nonconforming uses shall not be increased, changed or resumed after a period of interruption or abandonment except in conformity with such provisions as the zoning regulations may provide.

[Amended by 1961 c.607 §2; 1963 c.577 §4; 1963 c.619 §9; 1969 c.460 §1]

215.170 Authority of incorporated cities in unincorporated area. The powers of an incorporated city to control subdivision and other partitioning of land and to rename thoroughfares in adjacent unincorporated areas shall continue unimpaired by ORS 215.010 to 215.190 until the county governing body that has jurisdiction over the area adopts regulations for controlling subdivision there. Any part of the area subject to the county regulations shall cease to be subject to the two powers of the city.

[Amended by 1963 c.619 §10]

215.180 Unlawful construction or use a nuisance. The location, erection, construction, maintenance, repair, alteration or use of a building or other structure, or the subdivision, other partitioning, or use of land, in violation of an ordinance or regulation author-

[1955 c.439 §8; 1963 c.619 §11]

215.185 Remedies for unlawful structures or land use. In case a building or other structure is, or is proposed to be, located, constructed, maintained, repaired, altered, or used, or any land is, or is proposed to be, used, in violation of an ordinance or regulation authorized by ORS 215.010 to 215.190, the governing body or district attorney of the county or a person whose interest in real property in the county is or may be affected by the violation, may, in addition to other remedies provided by law, institute injunction, mandamus, abatement, or other appropriate proceedings to prevent, temporarily or permanently enjoin, abate, or remove the unlawful location, construction, maintenance, repair, alteration, or use. When a temporary restraining order is granted in a suit instituted by a person who is not exempt from furnishing bonds or undertakings under ORS 22.010, the person shall furnish undertaking as provided in ORS 32.010 to 32.060.

[1955 c.439 §9; 1963 c.619 §13]

215.200 [1957 (s.s.) c.11 §1; renumbered 215.285]

215.203 Adoption of zoning ordinances establishing farm use zones; "farm use" defined. (1) Zoning ordinances may be adopted under ORS 215.010 to 215.190 to zone designated areas of land within the county as farm use zones. Land within such zones shall be used exclusively for farm use except as otherwise provided in ORS 215.213. Farm use zones shall be established only when such zoning is consistent with the over-all plan of development of the county.

(2) (a) As used in this section, "farm use" means the current employment of land for the purpose of obtaining a profit in money by raising, harvesting and selling crops or by the feeding, breeding, management and sale of, or the produce of, livestock, poultry, fur-bearing animals or honeybees or for dairying and the sale of dairy products or

any other agricultural or horticultural use or animal husbandry or any combination thereof. "Farm use" includes the preparation and storage of the products raised on such land for man's use and animal use and disposal by marketing or otherwise. It does not include the use of land subject to the provisions of ORS chapter 321, or to the construction and use of dwellings and other buildings customarily provided in conjunction with the farm use.

(b) Except as limited by paragraph (c) of this subsection, farm use land shall not be regarded as being used for the purpose of obtaining a profit in money if the whole parcel has not produced a gross income from farm uses of \$500 per year for three of the five calendar years immediately preceding the assessment day of the tax year for which farm use is claimed by the owner or allowed by the assessor, notwithstanding that such land is included within the boundaries of a farm use zone. In case of question, the burden of proving the gross income of a parcel of land for the years designated in this paragraph is placed upon the owner of the land.

(c) "Current employment" of land for farm use includes (A) land subject to the soil-bank provisions of the Federal Agricultural Act of 1956, as amended (P. L. 84-540, 70 Stat. 188); (B) land lying fallow for one year as a normal and regular requirement of good agricultural husbandry; (C) land planted in orchards or other perennials prior to maturity for bearing crops; and (D) farm wood lots of less than 20 acres appurtenant to farm use land which fulfills the requirements of paragraph (b) of this subsection. The acres of land within the categories described in this paragraph shall not be subject to the requirements of paragraph (b) of this subsection.

[1963 c.577 §2 and 1963 c.619 §1 (2), (3); 1967 c.386 §1]

215.205 [1967 (s.s.) c.11 §2; renumbered 215.295]

215.210 [Amended by 1955 c.652 §6; renumbered 215.305]

215.213 Nonfarm uses permitted within farm use zones. The following nonfarm uses may be established in any area zoned under ORS 215.010 to 215.190 for farm use:

- (1) Public or private schools.
- (2) Churches.
- (3) Golf courses.
- (4) Parks, playgrounds or community centers owned and operated by a governmental agency or a nonprofit community organization.

(5) Utility facilities necessary for public service.

(6) The dwellings and other buildings customarily provided in conjunction with farm use, referred to in paragraph (a) of subsection (2) of ORS 215.203.

[1963 c.577 §3 and 1963 c.619 §1a; 1969 c.258 §1]

Note: Section 3, chapter 577, and section 1a, chapter 619, Oregon Laws 1963, have been compiled as ORS 215.213 because they were virtually identical. Section 3, chapter 577, used the term "properties" instead of "facilities" in subsection (5).

215.220 [Repealed by 1963 c.619 §16]

215.223 Procedure for adopting zoning ordinances; notice. (1) No zoning ordinance enacted by the county governing body may have legal effect unless prior to its enactment the governing body or the planning commission conducts one or more public hearings on the ordinance and unless 10 days' advance public notice of each hearing is published in a newspaper of general circulation in the county or, in case the ordinance applies to only a part of the county, is so published in that part of the county.

(2) The notice provisions of this section shall not restrict the giving of notice by other means, including mail, radio and television.

(3) In effecting a zone change the proceedings for which are commenced at the request of a property owner, the governing body shall in addition to other notice give individual notice of the request by mail to the record owners of property within 250 feet of the property for which a zone change has been requested. The failure of the property owner to receive the notice described shall not invalidate any zone change.

[1963 c.619 §8; 1967 c.589 §3]

215.230 [Repealed by 1963 c.619 §16]

215.233 Validity of ordinances and development patterns adopted before September 2, 1963. All development patterns made and adopted prior to that time shall be deemed to meet the requirements of ORS 215.010, 215.030, 215.050 to 215.060 and 215.104 to 215.233 concerning comprehensive plans.

**LAND USE PLANS AND ZONING
BY GOVERNOR**

215.505 Governor authorized to prescribe and administer comprehensive land use plans and zoning regulations for unregulated lands. Notwithstanding any other provision of law, if, after December 31, 1971, there are any lands within the boundaries of a county, whether or not within the boundaries of a city,

that are not subject to ORS 390.640 or to a comprehensive land use plan and zoning ordinances adopted pursuant to ORS 215.010 to 215.233 and subsections (1) and (2) of 215.990, or zoned pursuant to any other state law or city ordinance, the Governor shall prescribe, may amend, and shall thereafter administer comprehensive land use plans and zoning regulations for such lands. If any county shall have under consideration a comprehensive land use or zoning ordinance, and shall have shown satisfactory progress toward the final enactment of such plan or ordinance, the Governor may grant a reasonable extension of time after the date set in this section for completion of said plan or ordinance.
[1969 c.324 §1]

215.510 Standards for plans and regulations; limitation; enjoining nonconforming use; hearing. (1) Any comprehensive land use plans prescribed or amended by the Governor pursuant to ORS 215.505 shall be in accordance with the standards provided in ORS 215.515 and the notice and hearing requirements provided in ORS 215.060.

(2) Any zoning regulations prescribed or amended by the Governor pursuant to ORS 215.505 shall be in accordance with the standards provided in ORS 215.055 and the notice and hearing requirements provided in ORS 215.223.

(3) A comprehensive land use plan or zoning regulation prescribed or amended by the Governor pursuant to ORS 215.505 may be for any purpose provided in ORS 215.010 to 215.233 and subsections (1) and (2) of 215.990, except that the Governor may not prescribe building regulations. The Governor may, however, cause to be instituted an appropriate proceeding to enjoin the construction of buildings or performance of any other acts which would constitute a land use that does not conform to the applicable land use plan or zoning regulation.

(4) Any hearings required by this section may be held by the Governor, or by a person designated by the Governor, and all such hearings shall be held in the county seat of the county in which said comprehensive land use plan or zoning regulation is to be prescribed.
[1969 c.324 §2]

215.515 Comprehensive physical planning objectives. Comprehensive physical planning should provide guidance for physical

development within the state responsive to economic development, human resource development, natural resource development and regional and metropolitan area development. It should assist in attainment of the optimum living environment for the state's citizenry and assure sound housing, employment opportunities, educational fulfillment and sound health facilities. State plans should relate to intermediate and long-range growth objectives. The plans should set a pattern upon which state agencies and local government may base their programs and local area plans. Goals for comprehensive physical planning are:

- (1) To preserve the quality of the air and water resources of the state.
