

BEFORE THE DEPARTMENT OF ADMINISTRATIVE SERVICES, THE DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT OF THE STATE OF OREGON

IN THE MATTER OF THE CLAIM ) FINAL ORDER  
FOR COMPENSATION UNDER ) CLAIM NO. M119893  
BALLOT MEASURE 37 (CHAPTER 1, )  
OREGON LAWS 2005) OF )  
Lyle, Gayle and Lynn Kindred, CLAIMANTS )

Claimants: Lyle, Gayle and Lynn Kindred (the Claimants)

Property: Tax Lot 1301, T.4S, R.4W, Section 32, Yamhill County

Claim: The demand for compensation and any supporting information received from the Claimants by the State of Oregon (the Claim).

Claimants submitted the Claim to the State of Oregon under Ballot Measure 37 (2004) (Oregon Laws 2005, Chapter 1) (hereafter, Measure 37). Under OAR 125-145-0010 *et seq.*, the Department of Administrative Services (DAS) referred the Claim to the Department of Land Conservation and Development (DLCD) as the regulating entity. This order is based on the record herein, including the Findings and Conclusions set forth in the Final Staff Report and Recommendation of DLCD (the DLCD Report) attached to and by this reference incorporated into this order.

ORDER

The Claim is approved as to laws administered by DLCD and the Land Conservation and Development Commission (LCDC) for the reasons set forth in the DLCD Report, and subject to the following terms:

1. In lieu of compensation under Measure 37, the State of Oregon will not apply the following laws to Lyle, Gayle and Lynn Kindred’s division of the property into two parcels and the establishment of a single-family dwelling on each parcel created: applicable provisions of Statewide Planning Goal 3 (Agricultural Lands); ORS 215; and OAR 660, division 33, that took effect on or after December 24, 1993. The department acknowledges that the relief provided will not allow the claimants to use the property in the manner described in their claim.
2. The action by the State of Oregon provides the state’s authorization to the claimants to partition the property and to establish a single-family dwelling on each lot created, subject to those standards in effect when they acquired their interest in the property. The provisions of Goal 3, ORS 215, and OAR 660, division 33, that were in effect on December 24, 1993, include ORS 215.263, 215.283, 215.284, 215.705 and 215.780 (generally requiring a minimum parcel size of 80 acres). The standards for a non-farm dwelling on that date included ORS 215.284(1) (1993 edition).

3. To the extent that any law, order, deed, agreement or other legally-enforceable public or private requirement provides that the property may not be used without a permit, license, or other form of authorization or consent, the order will not authorize the use of the property unless the claimants first obtain that permit, license, or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or ORS 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the property imposed by private parties.

4. Any use of the property by any of the claimants under the terms of the order will remain subject to the following laws: (a) those laws not specified in (1) above; (b) any laws enforced by a public entity other than the Commission or the department; and (c) those laws not subject to Measure 37 including, without limitation, those laws excepted under section (3) of the measure.

5. Without limiting the generality of the foregoing terms and conditions, in order for any of the claimants to use the property, it may be necessary for them to obtain a decision under Measure 37 from a city and/or county and/or metropolitan service district that enforces land use regulations applicable to the property. Nothing in this order relieves any of the claimants from the necessity of obtaining a decision under Measure 37 from a local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the property by the claimants.

This Order is entered by the Deputy Director of the DLCD as a final order of DLCD and the Land Conservation and Development Commission under Measure 37, OAR 660-002-0010(8), and OAR 125, division 145, and by the Deputy Administrator for the State Services Division of the DAS as a final order of DAS under Measure 37, OAR 125, division 145, and ORS 293.
