Claim: The demand for compensation and any supporting information received from the Claimant by the State of Oregon (the Claim).

Claimant submitted the Claim to the State of Oregon under Ballot Measure 37 (2004) (Oregon Laws 2005, Chapter 1) (hereafter, Measure 37). Under OAR 125-145-0010 *et seq.*, the Department of Administrative Services (DAS) referred the Claim to the Department of Land Conservation and Development (DLCD) as the regulating entity. This order is based on the record herein, including the Findings and Conclusions set forth in the Final Staff Report and Recommendation of DLCD (the DLCD Report) attached to and by this reference incorporated into this order.

ORDER

The Claim is approved as to laws administered by DLCD and the Land Conservation and Development Commission (LCDC) for the reasons set forth in the DLCD Report, and subject to the following terms:

1. In lieu of compensation under Measure 37, the State of Oregon will not apply the following laws to Diana Tormey's subdivision of the property into one-to-five acre parcels and the establishment of one dwelling on each new parcel created: the applicable provisions of Statewide Planning Goal 14 and its implementing rules at OAR 660-04-0040 that became effective after March 5, 1980 for Tax Lot 303; after January 5, 1983 for Tax Lot 304; after February 25, 1988, for Tax Lots 305 and 1016; and after March 24, 2001, for Tax Lots 300, 306, 502 and 607.
2. The action by the State of Oregon provides the state's authorization to the claimant to develop the subject property in accordance with the laws in effect on the date she acquired each parcel. Those standards include the provisions of Statewide Planning Goal 14 and OAR 660-04-0040 in effect on March 5, 1980, for Tax Lot 303; on January 5, 1983, for Tax Lot 304; on

February 25, 1988, for Tax Lots 305 and 1016; and on March 24, 2001, for Tax Lots 300, 306, 502 and 607.

3. To the extent that any law, order, deed, agreement or other legally-enforceable public or private requirement provides that the property may not be used without a permit, license, or other form of authorization or consent, the order will not authorize the use of the property unless the claimant first obtains that permit, license, or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit; a land use decision; a permit as defined in ORS 215.402 or ORS 227.160; other permits or authorizations from local, state or federal agencies; and restrictions on the use of the property imposed by private parties.

4. Any use of the property by the claimant under the terms of the order will remain subject to the following laws: (a) those laws not specified in (1) above; (b) any laws enforced by a public entity other than the Commission or the department; and (c) those laws not subject to Measure 37 including, without limitation, those laws excepted under section (3) of the measure.

5. Without limiting the generality of the foregoing terms and conditions, in order for the claimant to use the property, it may be necessary for her to obtain a decision under Measure 37 from a city and/or county and/or metropolitan service district that enforces land use regulations applicable to the property. Nothing in this order relieves the claimant from the necessity of obtaining a decision under Measure 37 from a local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the property by the claimant.

This Order is entered by the Director of the DLCD as a final order of DLCD and the Land Conservation and Development Commission under Measure 37, OAR 660-002-0010(8), and OAR 125, division 145, and by the Deputy Administrator for the State Services Division of the DAS as a final order of DAS under Measure 37, OAR 125, division 145, and ORS 293.
