Claim: The demand for compensation and any supporting information received from the Claimant by the State of Oregon (the Claim).

Claimant submitted the Claim to the State of Oregon under Ballot Measure 37 (2004) (Oregon Laws 2005, Chapter 1) (hereafter, Measure 37). Under OAR 125-145-0010 *et seq.*, the Department of Administrative Services (DAS) referred the Claim to the Department of Land Conservation and Development (DLCD) as the regulating entity. This order is based on the record herein, including the Findings and Conclusions set forth in the Final Staff Report and Recommendation of DLCD (the DLCD Report) attached to and by this reference incorporated into this order.

ORDER

The Claim is approved as to laws administered by DLCD and the Land Conservation and Development Commission (LCDC) for the reasons set forth in the DLCD Report, and subject to the following terms:

1. In lieu of compensation under Measure 37, the State of Oregon will not apply the following laws to Mitchell Teeney's division of his property into approximately 25, five acres parcels, or to the establishment of a single family dwelling on each parcel created: applicable provisions of Statewide Planning Goal 3, ORS 215.263, 215.780, and 215.284; and applicable provisions of OAR 660, division 33, enacted after the claimant acquired the property in 1969 and 1973. These land use regulations will not apply to Mr. Teeney's use of his property only to the extent necessary to allow the claimant to a use permitted at the time he acquired Parcel 1 in 1969 and Parcel 2 in 1973.

2. The action by the State of Oregon provides the state's authorization to the claimant to use his property subject to the standards in effect when he acquired Parcel 1 in 1969 and Parcel 2 in

1973. On those dates, the property was subject to applicable provisions of ORS 215 (1969 and 1971 editions).

3. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the property may not be used without a permit, license, or other form of authorization or consent, the order will not authorize the use of the property unless the claimant first obtains that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or ORS 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the property imposed by private parties.

4. Any use of the property by the claimant under the terms of the order will remain subject to the following laws: (a) those laws not specified in (1) above; (b) any laws enacted or enforced by a public entity other than the Commission or the department; and (c) those laws not subject to Measure 37 including, without limitation, those laws exempted under Section (3) of the Measure.

5. Without limiting the generality of the foregoing terms and conditions, in order for the claimant to use the property, it may be necessary for him to obtain a decision under Measure 37 from a city and/or county and/or metropolitan service district that enforces land use regulations applicable to the property. Nothing in this order relieves the claimant from the necessity of obtaining a decision under Measure 37 from a local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the property by the claimant.

This Order is entered by the Director of the DLCD as a final order of DLCD and the Land Conservation and Development Commission under Measure 37, OAR 660-002-0010(8), and OAR chapter 125, division 145, and by the Administrator for the State Services Division of the DAS as a final order of DAS under Measure 37, OAR chapter 125, division 145, and ORS chapter 293.
