FOR COMPENSATION UNDER ) CLAIM NO. M 120127  
BALLOT MEASURE 37 (CHAPTER 1, )  
OREGON LAWS 2005) OF )  
GAYLEEN D. WEILER and )  
JOLEETA K. PERKINS, CLAIMANTS )

Claimants: Gayleen D. Weiler and Joleeta K. Perkins (the Claimants)

Property: Tax Lot 200, T.3S, R.2E, Section 22, W.M., Clackamas County

Claim: The demand for compensation and any supporting information received from the Claimants by the State of Oregon (the Claim).

Claimants submitted the Claim to the State of Oregon under Ballot Measure 37 (2004) (Oregon Laws 2005, Chapter 1) (hereafter, Measure 37). Under OAR 125-145-0010 *et seq.*, the Department of Administrative Services (DAS) referred the Claim to the Department of Land Conservation and Development (DLCDC) as the regulating entity. This order is based on the record herein, including the Findings and Conclusions set forth in the Final Staff Report and Recommendation of DLCDC (the DLCDC Report) attached to and by this reference incorporated into this order.

ORDER

The Claim is approved as to laws administered by DLCDC and the Land Conservation and Development Commission (LCDC) for the reasons set forth in the DLCDC Report, and subject to the following terms:

1. In lieu of compensation under Measure 37, the State of Oregon will not apply the following laws to Gayleen Weiler's and Joleeta Perkins' division of the 29.30-acre property or to the establishment of a single family dwelling on each lot or parcel created: applicable provisions of Statewide Planning Goal 14 and OAR 660-004-0040 enacted after each claimant acquired the property. As a result, these land use regulations will not apply to Gayleen Weiler's use of the property only to the extent necessary to allow Ms. Weiler a use of the property permitted when she acquired the property on March 1, 1999; and will not apply to Joleeta Perkins' use of the property only to the extent necessary to allow Ms. Perkins a use of the property permitted when she acquired the property on October 30, 2000. The department acknowledges that the relief recommended in this report will not allow the claimants to use the property in the manner set forth in the claim.
2. The action by the State of Oregon provides the state's authorization to Ms. Weiler to use the property subject to the standards in effect on March 1, 1999, and to Ms. Perkins to use the property subject to the standards in effect on October 30, 2000.

3. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the property may not be used without a permit, license, or other form of authorization or consent, the order will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or ORS 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the property imposed by private parties.

4. Any use of the property by the claimants under the terms of the final order will remain subject to the following laws: (a) those laws not specified in (1) above; (b) any laws enacted or enforced by a public entity other than the Commission or the department; and (c) those laws not subject to Measure 37 including, without limitation, those laws exempted under Section (3) of the Measure.

5. Without limiting the generality of the foregoing terms and conditions, in order for the claimants to use the property it may be necessary for them to obtain a decision under Measure 37 from Clackamas County or other jurisdiction enforces land use regulations applicable to the property. Nothing in this order relieves the claimants from the necessity of obtaining a decision under Measure 37 from Clackamas County or other local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the property by the claimants.

This Order is entered by the Deputy Director of the DLCD as a final order of DLCD and the Land Conservation and Development Commission under Measure 37, OAR 660-002-0010(8), and OAR 125, division 145, and by the Deputy Administrator for the State Services Division of the DAS as a final order of DAS under Measure 37, OAR 125, division 145, and ORS 293.
