

BEFORE THE DEPARTMENT OF ADMINISTRATIVE SERVICES, THE DEPARTMENT
OF LAND CONSERVATION AND DEVELOPMENT OF THE STATE OF OREGON

IN THE MATTER OF THE CLAIM) FINAL ORDER
FOR COMPENSATION UNDER) CLAIM NO. M 120339
BALLOT MEASURE 37 (CHAPTER)
1, OREGON LAWS 2005) OF)
Crayton Rister, CLAIMANT)

Claimant: Crayton Rister (the Claimant)

Property: Tax Lots 3600 and 3601, T.21S, R.10E, Section 28, W.M., Deschutes County

Claim: The demand for compensation and any supporting information received from the Claimant by the State of Oregon (the Claim).

Claimant submitted the Claim to the State of Oregon under Ballot Measure 37 (2004) (Oregon Laws 2005, Chapter 1) (hereafter, Measure 37). Under OAR 125-145-0010 *et seq.*, the Department of Administrative Services (DAS) referred the Claim to the Department of Land Conservation and Development (DLCD) as the regulating entity. This order is based on the record herein, including the Findings and Conclusions set forth in the Final Staff Report and Recommendation of DLCD (the DLCD Report) attached to and by this reference incorporated into this order.

ORDER

The Claim is approved as to laws administered by DLCD and the Land Conservation and Development Commission (LCDC) for the reasons set forth in the DLCD Report, and subject to the following terms:

1. In lieu of compensation under Measure 37, the State of Oregon will not apply the following laws to Mr. Rister's division and development of the 160 acre property: applicable provisions of Statewide Planning Goal 4, ORS 215, and OAR 660, division 6 enacted after November 5, 1991. These land use regulations will not apply to Mr. Rister's use of the property only to the extent necessary to allow the claimant a use permitted at the time he acquired the property on November 5, 1991. The department acknowledges that this relief will not allow Mr. Rister to use the property in the manner described in the claim.
2. The action by the State of Oregon provides the state's authorization to the claimant to use his property subject to the standards in effect on November 5, 1991. On that date, the property was subject to applicable provisions of the Deschutes County Forest Use (F-2) and Wildlife Area Combining WA zones then in effect as acknowledged to be in compliance with the Statewide Planning Goals. The claimant will also continue to be subject to ORS 215.780 and those provisions of Goal 4 and its implementing rules in OAR 660, division 6 related to siting dwellings for the protection of public health and safety and to any other laws that are exempt

under Section 3 of Measure 37. In addition, the use of the property will be subject to those applicable provisions of Goal 4, ORS 215, and OAR 660, division 6 that were in effect on November 5, 1991.

3. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the property may not be used without a permit, license, or other form of authorization or consent, the order will not authorize the use of the property unless the claimant first obtains that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or ORS 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the property imposed by private parties.

4. Any use of the property by the claimant under the terms of the order will remain subject to the following laws: (a) those laws not specified in (1) above; (b) any laws enacted or enforced by a public entity other than the Commission or the department; and (c) those laws not subject to Measure 37 including, without limitation, those laws exempted under Section (3) of the Measure.

5. Without limiting the generality of the foregoing terms and conditions, in order for the claimant to use the property, it may be necessary for him to obtain a decision under Measure 37 from a city and/or county and/or metropolitan service district that enforces land use regulations applicable to the property. Nothing in this order relieves the claimant from the necessity of obtaining a decision under Measure 37 from a local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the property by the claimant.

This Order is entered by the Deputy Director of the DLCD as a final order of DLCD and the Land Conservation and Development Commission under Measure 37, OAR 660-002-0010(8), and OAR chapter 125, division 145, and by the Administrator for the State Services Division of the DAS as a final order of DAS under Measure 37, OAR chapter 125, division 145 and ORS chapter 293.
