

BEFORE THE DEPARTMENT OF ADMINISTRATIVE SERVICES, THE DEPARTMENT
OF LAND CONSERVATION AND DEVELOPMENT OF THE STATE OF OREGON

IN THE MATTER OF THE CLAIM) FINAL ORDER
FOR COMPENSATION UNDER) CLAIM NO. M 120459
BALLOT MEASURE 37 (CHAPTER 1,)
OREGON LAWS 2005) OF)
Ivan and Zina Snegirev, CLAIMANTS)

Claimants: Ivan and Zina Snegirev (the Claimants)

Property: Tax Lot 201 / 1300, T.4S, R.1W, Section 36, Clackamas County

Claim: The demand for compensation and any supporting information received from the Claimant by the State of Oregon (the Claim).

Claimants submitted the Claim to the State of Oregon under Ballot Measure 37 (2004) (Oregon Laws 2005, Chapter 1) (hereafter, Measure 37). Under OAR 125-145-0010 *et seq.*, the Department of Administrative Services (DAS) referred the Claim to the Department of Land Conservation and Development (DLCD) as the regulating entity. This order is based on the record herein, including the Findings and Conclusions set forth in the Final Staff Report and Recommendation of DLCD (the DLCD Report) attached to and by this reference incorporated into this order.

ORDER

Based on the record, the department recommends that the claim be approved, subject to the following terms:

1. In lieu of compensation under Measure 37, the State of Oregon will not apply the following laws to Ivan and Zina Snegirev's division of the subject property into two-acre lots and the development of a single-family dwelling on each lot: applicable provisions of Statewide Planning Goal 3, ORS 215 and OAR 660, division 33 enacted after February 16, 1976. These land use regulations will not apply to the claimants' use of the property only to the extent necessary to allow the claimants a use permitted at the time they acquired the property on February 16, 1976.
2. The action by the State of Oregon provides the state's authorization to the claimants to use their property subject to the standards in effect on February 16, 1976. On that date, the property was subject to applicable provisions of ORS 215 (1975 edition) and Goals 3 and 14, then in effect. The department acknowledges that the relief provided likely will not allow the extent of use of the property described in the claim.
3. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the property may not be used without a permit, license, or other form of authorization or consent, the order will not authorize the use of the property unless the

claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or ORS 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the property imposed by private parties.

4. Any use of the property by the claimants under the terms of the order will remain subject to the following laws: (a) those laws not specified in (1) above; (b) any laws enacted or enforced by a public entity other than the Commission or the department; and (c) those laws not subject to Measure 37 including, without limitation, those laws exempted under Section (3) of the Measure.

5. Without limiting the generality of the foregoing terms and conditions, in order for the claimants to use the property, it may be necessary for them to obtain a decision under Measure 37 from a city and/or county and/or metropolitan service district that enforces land use regulations applicable to the property. Nothing in this order relieves the claimants from the necessity of obtaining a decision under Measure 37 from a local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the property by the claimants.

This Order is entered by the Director of the DLCD as a final order of DLCD and the Land Conservation and Development Commission under Measure 37, OAR 660-002-0010(8), and OAR 125, division 145, and by the Deputy Administrator for the State Services Division of the DAS as a final order of DAS under Measure 37, OAR 125, division 145, and ORS 293.
