Oregon's seven-member Land Conservation and development Commission, assisted by the Department of Land Conservation and Development, adopts state land use goals, assures local plan compliance with the goals, coordinates state and local planning and manages the coastal zone program. Commissioners are unpaid citizen volunteers appointed by the governor and confirmed by the senate. Commissioners are appointed to four-year terms and may not serve for more than two consecutive terms. The statute establishing the commission, ORS chapter 197, also directs that members be representative of the state. The commission meets approximately every six weeks to direct the work of the department.

Current Commissioners:

Bart Eberwein (Portland)
Tim Josi (Tillamook)
Jerry Lidz (Eugene)
Sherman Lamb (Talent)

Greg Macpherson, Vice-chair (Lake Oswego)
Marilyn Worrix, Chair (McMinnville)
Catherine Morrow (Bend)

The meeting location is accessible to persons with disabilities. To request an interpreter for the hearing impaired or for other accommodations for persons with disabilities, please make requests at least 48 hours before the meeting to Leslie Roth at (503) 934-0045, Leslie.C.Roth@state.or.us, or by TTY: Oregon Relay Services (800) 735-2900.

Public Testimony:

The commission places great value on testimony from the public. Those items on the agenda indicated for public testimony are the topics where public comment will be accepted.

People who wish to testify are requested to:

- Complete a Testimony Sign Up Form provided at the meeting handout table;
- Provide a written summary in advance to Leslie.C.Roth@state.or.us (January 11 is the deadline to submit advance testimony). If you are unable to supply materials in advance, please bring 20 copies to the meeting for distribution to the commission, staff and members of the public;
- Recognize that substance, not length, determines the value of testimony;
- Endorse, rather than repeat, testimony of other witnesses with whom you agree.

Because of the uncertain length of time needed, the commission may address an item at any time in the meeting. Anyone wishing to be heard on an item without a set time should arrive when the meeting begins to avoid missing an item of interest. Topics not on the agenda may be introduced and discussed during the Director's Report, commission Business and Reports or Other.
