CONFEDERATED TRIBES OF THE UMATILLA INDIAN RESERVATION – MISSION COMMUNITY PLAN UPDATE

I. AGENDA ITEM SUMMARY

The Land Conservation and Development Commission will receive a briefing on an update to the Mission Community Plan, an upcoming project funded by the Transportation and Growth Management program. Funding for the project was awarded to the Confederated Tribes of the Umatilla Indian Reservation in 2015 and will be underway later this year. The briefing will be conducted by J.D. Tovey of the Confederated Tribes of the Umatilla Indian Reservation.

The Mission Community Plan is a local area plan that helps the Umatilla Indian Reservation plan and coordinate development within the Mission area. The Mission Community Plan acts as a Future Land Use document and the updates will concentrate on developing a multi-modal community that fosters economic development, cultural connectedness, and good health and well-being.
