RE: LCDC Remand of City of Newberg Urban Reserve Area
Order 11-Extension-001811

Dear Mayor Andrews:

On April 22, 2010 the Land Conservation and Development Commission (LCDC) issued an order remanding Newberg's urban reserve proposal. That order established a completion date for the remand of the city's urban reserves of December 31, 2011. The city has requested additional time to complete the remanded work.

The department finds that Newberg has made a good-faith effort to complete its obligations under the statewide planning goals, including updating the city's analyses of residential and employment land needs for a 20-year planning period and beyond.

This order establishes December 31, 2013 as a new completion date for the City of Newberg's urban reserves.

If you have any questions please contact our regional representative Steve Oulman at (503) 373-0050 extension 259 or steve.oulman@state.or.us.
