Re: Approval of portions of the City of Portland's Periodic Review Work Program Task 1 (Citizen Involvement); Order 001792

Dear Mayor Adams,

I am pleased to announce the Department of Land Conservation and Development's approval of the following portions of the City of Portland's Periodic Review Work Program:

- Task 1 (Citizen Involvement) submitted on April 16, 2010
 - Subtask A, the appointment of a Community Involvement Committee (CIC); and
 - The favorable review by the Citizen Involvement Advisory Committee of the "Public Engagement Work Program" and the CIC report of initial accomplishment.

This letter constitutes the department's formal order approving portions of the work task under Oregon Administrative Rule. DLCD received no objections to the above portions of the work task in response to the city's notice. Therefore this order is final and cannot be appealed.

We appreciate the efforts of Portland officials and staff and we look forward to working with you on the remainder of the Periodic Review Work Program. Please feel free to contact Anne Debbaut, Portland's periodic review team leader and regional representative at 971.673.0965 or anne.debbaut@state.or.us if you have any questions or need further assistance.

Sincerely,

Darren Nichols
