Revisions to Staff Recommendations

Recommended revisions to material in your packet relating to Agenda item 6, Housekeeping amendments to OAR 660, division 33 conforming to HB 3099.

1. In attachment A, OAR 660 Division 033, Rule 0120 Table 1, p. 3 of 3.

Change from: *18(a) R5,20 Golf courses.
to: 18(a) R5,20 Golf courses on land determined not to be high value farmland as defined in ORS 195.300.

Rationale: Underlined language is taken directly from HB 3099 and was inadvertently omitted in the recommended rule revision. Removal of the * before 18 recognizes that for golf courses, they will now be subject to the M49 definition of high value farmland in ORS 195.300 and not the high value farmland definition in existing rule 660-033-0020, which the * denotes.

2. In attachment A, OAR 660-033-0130(18)(a), page 9, line 3,

Change from: (18)(a)
to: (18)(a)

Rationale: As explained in the staff report, section 18 was not previously divided into subsections. In order to accommodate language required by HB 3099, new language was added which became subsections (b) and (c). While the language in subsection 18(a) is not new, the (a) is new and should be bolded and underlined.
