RE: **Notice of Temporary Administrative Rules Regarding Measure 49**

The Land Conservation and Development Commission (LCDC) is considering the adoption of temporary new and amended administrative rules intended to specify information required in a written "claim" under Chapter 424, Oregon Laws 2007 (Measure 49). The proposed rules also address the effect of 2007 Ballot Measure 49 on waivers that have already been approved by DLCD under 2004 Ballot Measure 37, including the effect for purposes of the state agency coordination requirements under ORS 197.180. Finally, the proposed rule amendments would delegate to the director the responsibilities and authorities of the Commission and the Department in responding to claims under Ballot Measure 49.

LCDC will hold a public hearing to consider adoption of the proposed temporary rules at a special meeting scheduled for December 6, 2007. The LCDC meeting will begin at 10:00 AM, in the Agriculture Building, Basement Hearing Room, 635 Capitol St. NE, Salem. Interested persons may address the Commission concerning the proposed rules at this public hearing, or may provide written comments. Written comments will be accepted until the close of the hearing. Following the hearing, the Commission may adopt the proposed temporary rules. If adopted, the temporary rules will be effective immediately upon filing with the Secretary of State in accordance with ORS 183.325(5).

The draft temporary rules and related documents may be obtained from the DLCD website at <http://www.lcd.state.or.us>. Alternatively, to obtain a copy of the proposed amendments through mail, email, or fax, please contact Sarah Watson at (503) 373-0050 Ext. 271.

Address written comments to the Chair of the Land Conservation and Development Commission, care of Sarah Watson. Email comments to sarah.watson@state.or.us, or fax comments to Sarah Watson at 503-378-6033. The Commission will accept comments, including written comments, until the close of the public hearing on December 6, 2007.
