To allow everyone an opportunity to be heard the chair may limit the time for each person. Written testimony (20 copies) is very helpful. Please keep in mind that substance and specificity, not length, is most useful to the committee. Please endorse, rather than repeat, testimony of others.

The time for testimony will be extended if necessary to ensure that everyone who signs up by 2 PM has an opportunity to address the committee.
- After Testimony Next Steps and Future Meetings

Interested parties are encouraged to submit written testimony prior to the meeting. Testimony received prior to February 8 will be distributed to the committee prior to the meeting. Testimony received February 8 through 14 will be distributed at the meeting.
