Rule summary
The proposed new and amended rules will provide procedures and requirements for determining large lot employment land need in the three-county Central Oregon region (Crook, Deschutes and Jefferson Counties, and participating cities in those counties). The rules will include planning and zoning requirements for sites added to UGBs in response to the determined need, and will provide for urban growth boundary amendments to accommodate the need.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing the negative economic impact of the rule on business.
