**RULE SUMMARY**

The proposed rule amendments are necessary to implement laws enacted by the 2010 and 2011 legislatures. The proposed amendments will revise existing rules as necessary to conform rule wording to new and revised state laws, and to ensure consistency between rules and statute. The proposed new rule at OAR 660-033-0040, regarding Soils Assessments by Professional Soil Classifiers, will renumber portions of an existing rule as a new rule without amending current content of the rule.

The Commission may consider other minor or technical corrections to these divisions. The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing the negative economic impact of the rule on business.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
