June 28, 2006

TO: Land Conservation and Development Commission
FROM: Robert Cortright, Transportation Planning Coordinator
SUBJECT: **Agenda Item 6, June 28-30, 2006 Commission Meeting**

**WORK SESSION AND POSSIBLE ADOPTION
OF PROPOSED AMENDMENTS
TO OREGON ADMINISTRATIVE RULE 660-012
(TRANSPORTATION PLANNING RULE)**

Language Correction in Proposed Amendments

Staff is recommending a minor language change to the June 15 proposed amendments. The amendment would change the proposed language in OAR 660-012-0055(1)(c) as follows:

“(c) Local governments in metropolitan areas may request and the Commission may by order grant an extension for completing an integrated land use and transportation plan required by this division. Local governments [A metropolitan area] requesting an extension shall set forth a schedule for completion of outstanding work needed to complete an integrated land use and transportation plan as set forth in 0035.”

The change makes the second sentence consistent with the first sentence which refers to “local governments in metropolitan areas.”

The amendments to Section 0055 are shown on page 17 of Attachment A. A substitute page 17 is attached which shows the proposed amendment in context of the relevant portion of the rule.
