NAME OF CLAIMANT: Janet Kaiser

PROPERTY IDENTIFICATION: Township 3S, Range 1E, Section 16
Tax lot 400
Clackamas County

OTHER CONTACT INFORMATION: Alfred Nordgren

DATE RECEIVED BY DAS: August 3, 2006

180-DAY DEADLINE: January 30, 2007

I. SUMMARY OF CLAIM

The claimant, Janet Kaiser, seeks compensation in the amount of \$452,586 for the reduction in fair market value as a result of land use regulations that are alleged to restrict the use of certain private real property. The claimant desires compensation or the right to develop a dwelling on each of the five platted lots 3, 4, 5, 6 and 7 that compose the 1.8-acre subject property. The subject property is located on Mountain Road adjacent to Sandelie Golf Course, near West Linn, in Clackamas County. (See claim.)

II. SUMMARY OF STAFF RECOMMENDATION

Based on the findings and conclusions set forth below, the Department of Land Conservation and Development (the department) has determined that this claim is not valid because the claimant has not established her ownership of the subject property. (See the complete recommendation in Section VI of this report.)

III. COMMENTS ON THE CLAIM

Comments Received

On October 25, 2006, pursuant to Oregon Administrative Rule (OAR) 125-145-0080, the Oregon Department of Administrative Services (DAS) provided written notice to the owners of surrounding properties. According to DAS, no written comments were received in response to the 10-day notice.

IV. TIMELINESS OF CLAIM

Requirement

ORS 197.352(5), requires that a written demand for compensation be made:

1. For claims arising from land use regulations enacted prior to the effective date of Measure 37 (December 2, 2004), within two years of that effective date, or the date the public entity applies the land use regulation as an approval criteria to an application submitted by the owner, whichever is later; or
2. For claims arising from land use regulations enacted after the effective date of Measure 37 (December 2, 2004), within two years of the enactment of the land use regulation, or the date the owner of the property submits a land use application in which the land use regulation is an approval criterion, whichever is later.

Findings of Fact

This claim was submitted to DAS on August 3, 2006, for processing under OAR 125, division 145. The claim identifies Senate Bills 100 and 101; ORS 197 and 215; OAR 660, divisions 15, and 33; and Clackamas County's General Use (GU) zone as the basis for the claim. Only laws that were enacted or adopted prior to December 2, 2004, are the basis for this claim.

Conclusions

The claim has been submitted within two years of the effective date of Measure 37 (December 2, 2004), based on land use regulations enacted or adopted prior to December 2, 2004, and is therefore timely filed.

V. ANALYSIS OF CLAIM

1. Ownership

ORS 197.352 provides for payment of compensation or relief from specific laws for "owners" as that term is defined in ORS 197.352. ORS 197.352(11)(C) defines "owner" as "the present owner of the property, or any interest therein."

Findings of Fact

The claimant, Janet Kaiser, asserts that she acquired the subject property on April 3, 1967, as reflected by plat maps included with the claim.¹ The claim does not include copies of any deeds or otherwise establish that the claimant is a current owner of the subject property.

According to the Clackamas County Assessor's Office, Sandalie Golf Clubs, Inc. is the current owner of the subject property.

Conclusions

The claimant, Janet Kaiser, has not established that she is an "owner" of the subject property as that term is defined in ORS 197.352(11)(C).

2. The Laws That are the Basis for This Claim

In order to establish a valid claim, ORS 197.352(1) requires, in part, that a law must restrict the claimant's use of private real property in a manner that reduces the fair market value of the property relative to how the property could have been used at the time the claimant or a family member acquired the property.

As explained in Section V.(1), the claimant, Janet Kaiser, has not established that she is an "owner" of the subject property as that term is defined in ORS 197.352(11)(C). Therefore, the department cannot conclude that any laws enforced by the Land Conservation and Development Commission (the Commission) or the department restrict the claimant's use of private real property with the effect of reducing the fair market value of the property.

3. Effect of Regulations on Fair Market Value

In order to establish a valid claim, ORS 197.352(1) requires that the land use regulation(s) (described in Section V.(2) of this report) must have "the effect of reducing the fair market value of the property, or any interest therein."

As explained in Section V.(1) of this report, the claimant, Janet Kaiser, has not established that she is an "owner" of the subject property as that term is defined in ORS 197.352(11)(C). Therefore, the department cannot conclude that any laws restrict her use of the subject property with the effect of reducing the fair market value of the subject property.

4. Exemptions Under ORS 197.352(3)

ORS 197.352 does not apply to certain land use regulations. In addition, under ORS 197.352(3), certain types of laws are exempt from ORS 197.352.

As explained in Section V.(1) of this report, the claimant, Janet Kaiser, has not established that she is an "owner" of the subject property as that term is defined in ORS 197.352(11)(C).

¹ Plat maps are insufficient to establish ownership and an acquisition date. Absent documentation from the claimant to establish an acquisition date, the department cannot evaluate the claim for compensation.

Therefore, the issue of whether any laws are exempt from ORS 197.352 is not relevant to her claim.

VI. FORM OF RELIEF

ORS 197.352(1) provides for payment of compensation to an owner of private real property if the Commission or the department has enforced one or more laws that restrict the use of the property in a manner that reduces its fair market value. In lieu of compensation, the department may choose to not apply the law in order to allow the present owner to carry out a use of the property permitted at the time the present owner acquired the property. The Commission, by rule, has directed that if the department determines a claim is valid, the Director of the department must provide only non-monetary relief unless and until funds are appropriated by the legislature to pay claims.

Findings of Fact

Based on the record, the department finds that the claim is not valid because the claimant has not established that she is an owner of the subject property.

Conclusions

Based on the record before the department, the claimant, Janet Kaiser, has not established that she is entitled to relief under ORS 197.352(1) as a result of land use regulations enforced by the Commission or the department because she has not established her ownership of the property. Therefore, the department recommends that this claim be denied.

VII. COMMENTS ON THE DRAFT STAFF REPORT

The department issued its draft staff report on this claim on January 4, 2007. OAR 125-145 0100(3), provided an opportunity for the claimants or the claimant's authorized agent and any third parties who submitted comments under OAR 125-145-0080 to submit written comments, evidence and information in response to the draft staff report and recommendation.
