*Claimants: John and Emma Alvin*

---

Enclosed, in regard to the above-referenced claim for compensation under Ballot Measure 37 (ORS 197.352), is the Final Staff Report and Recommendation of the Department of Land Conservation and Development, and the Final Order.

This Final Staff Report and Recommendation and the Final Order constitute the final decision on this claim. No further action will be taken on this matter.

BEFORE THE DEPARTMENT OF ADMINISTRATIVE SERVICES,  
THE DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT OF  
THE STATE OF OREGON

IN THE MATTER OF THE CLAIM FOR ) FINAL ORDER  
COMPENSATION UNDER ORS 197.352 ) CLAIM NO. M130476  
(BALLOT MEASURE 37) OF )  
John and Emma Alvin, CLAIMANTS )

Claimants: John and Emma Alvin (the Claimants)

Property: Township 13S, Range 2W, Section 12, Tax lots 500 and 600, Linn County  
(the Property)

Claim: The demand for compensation and any supporting information received from the  
Claimants by the State of Oregon (the Claim).

Claimants submitted the Claim to the State of Oregon under ORS 197.352. Under OAR 125-145-0010 *et seq.*, the Department of Administrative Services (DAS) referred the Claim to the Department of Land Conservation and Development (DLCD) as the regulating entity. This order is based on the record herein, including the Findings and Conclusions set forth in the Final Staff Report and Recommendation of DLCD (the DLCD Report) attached to and by this reference incorporated into this order.

ORDER

The Claim is approved as to laws administered by DLCD and the Land Conservation and Development Commission (LCDC) for the reasons set forth in the DLCD Report, and subject to the following terms:

1. In lieu of compensation under ORS 197.352, the State of Oregon will not apply the following laws to John and Emma Alvin's division of tax lot 500 into sixteen 5-acre parcels and tax lot 600 into four parcels or to their development of a dwelling on each resulting undeveloped parcel: applicable provisions of Goals 3 and 4, ORS 215 and OAR 660, divisions 6, and 33, enacted or adopted after each claimant acquired each tax lot. These land use regulations will not apply to the claimants only to the extent necessary to allow them to use the subject property for the use described in this report, and only to the extent that use was permitted when they acquired tax lot 600 on September 23, 1968, when John Alvin acquired tax lot 500 on April 27, 1976, and when Emma Alvin acquired tax lot 500 on May 14, 1976.
2. The action by the State of Oregon provides the state's authorization to the claimants to use the subject property for the use described in this report, subject to the standards in effect on September 23, 1968, for tax lot 600, and on April 27, 1976, and May 14, 1976, for tax lot 500. In 1976, tax lot 500 was subject to applicable provisions of Goal 3 or 4 and ORS 215 then in effect.

3. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit, license or other form of authorization or consent, the order will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a "permit" as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies and restrictions on the use of the subject property imposed by private parties.

4. Any use of the property by the claimants under the terms of the order will remain subject to the following laws: (a) those laws not specified in (1) above; (b) any laws enacted or enforced by a public entity other than the Commission or the department; and (c) those laws not subject to ORS 197.352 including, without limitation, those laws exempted under ORS 197.352(3).

5. Without limiting the generality of the foregoing terms and conditions, in order for the claimants to use the subject property, it may be necessary for them to obtain a decision under ORS 197.352 from a city and/or county and/or metropolitan service district that enforces land use regulations applicable to the property. Nothing in this order relieves the claimants from the necessity of obtaining a decision under ORS 197.352 from a local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the subject property by the claimants.

This Order is entered by the Deputy Director of the DLCD as a final order of DLCD and the Land Conservation and Development Commission under ORS 197.352, OAR 660-002-0010(8), and OAR 125, division 145, and by the Administrator for the State Services Division of the DAS as a final order of DAS under ORS 197.352, OAR 125, division 145, and ORS 293.

CONSERVATION AND  
DEVELOPMENT COMMISSION:

**I. SUMMARY OF CLAIM**

The claimants, John and Emma Alvin, seek compensation in the amount of \$1.9 million for the reduction in fair market value as a result of land use regulations that are alleged to restrict the use of certain private real property. The claimants desire compensation or the right to divide tax lot 500 into sixteen 5-acre parcels and tax lot 600 into four parcels and to develop a dwelling on each resulting undeveloped parcel.<sup>1</sup> The subject property is located at 29505 Sodaville Mtn. Home Road, near Lebanon, in Linn County. (See claim.)

**II. SUMMARY OF STAFF RECOMMENDATION**

Based on the findings and conclusions set forth below, the Department of Land Conservation and Development (the department) has determined that the claim is valid. Department staff recommends that, in lieu of compensation, the requirements of the following state laws enforced by the Land Conservation and Development Commission (the Commission) or the department not apply to John and Emma Alvin's division of tax lot 500 into sixteen 5-acre parcels and tax lot 600 into four parcels and to their development of a dwelling on each resulting undeveloped

parcel: applicable provisions of Statewide Planning Goals 3 (Agricultural Lands), 4 (Forest Lands), ORS 215 and Oregon Administrative Rules (OAR) 660, divisions 6, and 33, enacted or adopted after each claimant acquired each tax lot. These laws will not apply to the claimants only to the extent necessary to allow them to use the subject property for the use described in this report, and only to the extent that use was permitted when they acquired tax lot 600 on September 23, 1968, when John Alvin acquired tax lot 500 on April 27, 1976, and when Emma Alvin acquired tax lot 500 on May 14, 1976. (See the complete recommendation in Section VI. of this report.)

### **III. COMMENTS ON THE CLAIM**

#### **Comments Received**

On March 14, 2007, pursuant to OAR 125-145-0080, the Oregon Department of Administrative Services (DAS) provided written notice to the owners of surrounding properties. According to DAS, no written comments were received in response to the 10-day notice.

### **IV. TIMELINESS OF CLAIM**

#### **Requirement**

ORS 197.352(5) requires that a written demand for compensation be made:

1. For claims arising from land use regulations enacted prior to the effective date of Measure 37 (December 2, 2004), within two years of that effective date, or the date the public entity applies the land use regulation as an approval criteria to an application submitted by the owner, whichever is later; or
2. For claims arising from land use regulations enacted after the effective date of Measure 37 (December 2, 2004), within two years of the enactment of the land use regulation, or the date the owner of the property submits a land use application in which the land use regulation is an approval criteria, whichever is later.

#### **Findings of Fact**

This claim was submitted to DAS on October 27, 2006, for processing under OAR 125, division 145. The claim identifies Goals 3, 4 and 14 (Urbanization) and provisions of ORS 215 and OAR 660, divisions 6, and 33, as the basis for the claim. Only laws that were enacted or adopted prior to December 2, 2004, are the basis for this claim.

#### **Conclusions**

The claim has been submitted within two years of the effective date of Measure 37 (December 2, 2004), based on land use regulations enacted or adopted prior to December 2, 2004, and is therefore timely filed.

## V. ANALYSIS OF CLAIM

### **1. Ownership**

ORS 197.352 provides for payment of compensation or relief from specific laws for “owners” as that term is defined in ORS 197.352. ORS 197.352(11)(C) defines “owner” as “the present owner of the property, or any interest therein.”

### **Findings of Fact**

The claimants, John and Emma Alvin, acquired tax lot 600 on September 23, 1968, as reflected by a real estate contract included with the claim. John Alvin acquired tax lot 500 on April 27, 1976, and Emma Alvin acquired tax lot 500 on May 14, 1976, as reflected by deeds included with the claim. The Linn County Assessor’s Office confirms the claimants’ current ownership of the subject property.

### **Conclusions**

The claimants, John and Emma Alvin, are “owners”, of the subject property as that term is defined by ORS 197.352(11)(C). They have both owned tax lot 600 since September 23, 1968. John Alvin has owned tax lot 500 since April 27, 1976, and Emma Alvin has owned tax lot 500 since May 14, 1976.

### **2. The Laws That are the Basis for This Claim**

In order to establish a valid claim, ORS 197.352(1) requires, in part, that a law must restrict the claimants’ use of private real property in a manner that reduces the fair market value of the property relative to how the property could have been used at the time the claimants or a family member acquired the property.

### **Findings of Fact**

The claim indicates that the claimants desire to divide tax lot 500 into sixteen 5-acre parcels and tax lot 600 into four parcels and to develop a dwelling on each resulting undeveloped parcel, and that current land use regulations prohibit the desired use.<sup>2</sup>

The claim is based generally on the applicable provisions of state law that require mixed farm-forest zoning and restrict uses on land zoned mixed farm-forest. The claimants’ property is zoned Farm/Forest (F/F) by Linn County. The county’s F/F zone is a mixed agricultural and forest land zone, as required by Goal 4 and the implementing provisions of OAR 660, division 6 (effective on February 5, 1990), subsequently amended on March 1, 1994, to comply with the provisions of House Bill 3661 (Chapter 792, Oregon Laws 1993).

---

<sup>2</sup> The claimants list Goal 14 as restricting their use of the subject property. However, the claim does not establish how, based on the claimants’ description of their desired use, Goal 14 would restrict that use with the effect of reducing the property’s fair market value.

Under OAR 660-006-0050, all the uses permitted under Goals 3 and 4 are allowed in mixed agriculture and forest zones except that for dwellings, either the Goal 3 or 4 standards are applicable based on the predominant use of the tract on January 1, 1993.<sup>3</sup> Depending on the predominant use on January 1, 1993, the property is subject to either the requirements for dwellings applicable under Exclusive Farm Use (EFU) zoning required by Goal 3, ORS 215 and OAR 660, division 33, or forest zone provisions required by Goal 4, ORS 215 and OAR 660, division 6.

For land divisions, OAR 660-006-0055 authorizes the creation of new parcels based on the standards applicable to farm or forest zones that implement the minimum lot size specified in ORS 215.780. Under ORS 215.780(2)(a), the minimum lot size in Linn County's F/F zone is 80 acres. The claimants' property cannot be divided into parcels smaller than 80 acres.

The claimants acquired tax lot 600 on September 23, 1968, prior to the adoption of statewide planning goals and their implementing statutes and regulations.

John Alvin acquired tax lot 500 on April 27, 1976, and Emma Alvin acquired tax lot 500 on May 14, 1976, after the adoption of the statewide planning goals, but before the Commission acknowledged Linn County's land use regulations to be in compliance with the statewide planning goals pursuant to ORS 197.250 and 197.251.<sup>4</sup> Because the Commission had not acknowledged the county's plan and land use regulations when the claimants acquired tax lot 500 on April 27, 1976, and May 14, 1976, the applicable statewide planning goals would have applied directly to any development application for the claimants' property.<sup>5</sup>

As adopted in 1975, Goal 3 required that agricultural lands be preserved and zoned for EFU pursuant to ORS 215. Goal 4, as adopted in 1975, required that forest lands be designated for forest uses. Depending on the nature of the property, when the claimants acquired it, the property would have been subject to Goal 3 or 4 and either EFU zoning pursuant to ORS 215 or forest zoning adequate to retain forest lands for forest uses.

Under Goal 3, the state standards for a division of land required that the created lots or parcels be of a size "appropriate for the continuation of the existing commercial agricultural enterprise within the area." Further, ORS 215.263 (1975 edition) required that all land divisions subject to EFU zoning comply with the legislative intent in ORS 215.243 (Agricultural Land Use Policy). Thus, under Goal 3, the opportunity to divide tax lot 500 when acquired by the claimants on April 27, 1976, and May 14, 1976, was limited to new lots or parcels that were (1) appropriate

---

<sup>3</sup> No information was provided to the department regarding the predominant use of the subject property on January 1, 1993.

<sup>4</sup> Linn County's comprehensive plan was acknowledged on July 18, 1985.

<sup>5</sup> The statewide planning goals became effective on January 25, 1975, and were applicable to legislative land use decisions and some quasi-judicial land use decisions prior to the Commission's acknowledgment of each county's land use regulations. *Perkins v. City of Rajneeshpuram*, 300 Or 1 (1985); *Alexanderson v. Polk County*, 289 Or 427, rev den 290 Or 137 (1980); *Sunnyside Neighborhood Assn. v. Clackamas County*, 280 Or 569 (1977); *Jurgenson v. Union County*, 42 Or App 505 (1979) and *1000 Friends of Oregon v. Benton County*, 32 Or App 413 (1978). After the county's plan and land use regulations were acknowledged by the Commission, the statewide planning goals and implementing rules no longer directly applied to such local land use decisions. *Byrd v. Stringer*, 295 Or 311 (1983). However, statutory requirements continue to apply, and insofar as the state and local provisions are materially the same, the local provisions must be interpreted consistent with the substance of the goals and implementing rules. *Forster v. Polk County*, 115 Or App 475 (1992); *Kenagy v. Benton County*, 115 Or App 131 (1992).

for the continuation of the existing commercial agricultural enterprise in the area, and (2) shown to be consistent with the legislative intent in ORS 215. At that time, under Goal 3, farm dwellings were allowed if they were determined to be “customarily provided in conjunction with farm use” under ORS 215.213(1)(e) (1975 edition),<sup>6</sup> and non-farm dwellings were subject to ORS 215.213(3) (1975 edition).<sup>7</sup> Other uses were authorized and governed by the applicable provisions under Goal 3 and ORS 215.213.

Under Goal 4, the state standards required uses to “conserve forest lands for forest uses.” Specifically, Goal 4 only allowed land divisions that would protect commercial forest lands for commercial forest uses. Dwellings in forest zones could only be allowed if found to be “necessary and accessory” to one of the enumerated forest uses listed in Goal 4.<sup>8</sup>

## Conclusions

The current zoning requirements, minimum lot size and dwelling standards established under Goals 3 and 4 for lands zoned for mixed farm-forest use and the statutory and rule restrictions under applicable provisions of ORS 215 and OAR 660, divisions 6, and 33, were enacted or adopted after the claimants acquired tax lot 600 in 1968 and tax lot 500 in 1976, and do not allow the claimants’ desired division and development of the property. However, the claim does not establish whether or to what extent the claimants desired use of tax lot 500 complies with the standards for land division and development under Goal 3 or 4 applicable and in effect when John Alvin acquired tax lot 500 on April 27, 1976, and when Emma Alvin acquired that tax lot on May 14, 1976.

This report addresses only those state laws that are identified in the claim, or that the department is certain apply to the subject property based on the uses that the claimants have identified. There may be other laws that currently apply to the claimants’ use of the subject property, and that may continue to apply to the claimants’ use of the property, that have not been identified in the claim. In some cases, it will not be possible to know which laws apply to a use of the subject property until there is a specific proposal for that use. When the claimants seek a building or development permit to carry out a specific use, it may become evident that other state laws apply to that use.

---

<sup>6</sup> Under ORS 215.213, a farm dwelling could be established on agricultural land only if the farm use to which the dwelling relates exists (*Newcomer v. Clackamas County*, 92 Or App 174, modified 94 Or App 33 (1988) and *Matteo v. Polk County*, 11 Or LUBA 259, 263 (1984), affirmed without opinion 70 Or App 179 (1984)). Guidance on the application of the statutory standards for farm and non-farm dwellings in EFU zones can be found in the Commission rules (OAR 660, division 5, adopted on July 21, 1982, amended on June 7, 1986, and repealed on August 7, 1993).

<sup>7</sup> When determining whether land is “generally unsuitable for the production of farm crops and livestock” under ORS 215.213(3), the entire parcel or tract must be evaluated rather than a portion thereof. *Smith v. Clackamas County*, 313 Or 519 (1992).

<sup>8</sup> Goal 4 prohibited uses that were not enumerated by Goal 4 as permissible uses for forest lands as well as those that were not necessary and accessory to an enumerated forest use. *Lamb v. Lane County*, 7 Or LUBA 137 (1983). Dwellings in forest lands were required to be “necessary and accessory” to show that such dwellings complied with the Goal 4 requirement that local land use regulations must “conserve forest lands for forest uses.” *1000 Friends v. LCDC (Curry County)*, 301 Or 447 (1986). A dwelling that may “enhance” forest uses is not “necessary and accessory” to a forest use to the extent required by Goal 4. *1000 Friends of Oregon v. LCDC (Lane County)*, 305 Or 384 (1988). For additional guidance, the Goal 4 provisions were interpreted under OAR 660, division 6, effective on September 1, 1982, in *1000 Friends of Oregon v. LCDC (Lane County)* and in *1000 Friends v. LCDC (Curry County)*.

### **3. Effect of Regulations on Fair Market Value**

In order to establish a valid claim, ORS 197.352(1) requires that the land use regulation(s) (described in Section V.(2) of this report) must have “the effect of reducing the fair market value of the property, or any interest therein.”

#### **Findings of Fact**

The claim includes an estimate of \$1.9 million as the reduction in the subject property’s fair market value due to the regulations that restrict the claimants’ desired use of the property. This amount is based on the claimants’ assessment of the subject property’s value.

#### **Conclusions**

As explained in Section V.(1) of this report, the claimants are John and Emma Alvin who acquired tax lot 600 in 1968 and tax lot 500 in 1976. Under ORS 197.352, the claimants are due compensation for land use regulations that restrict the use of the subject property and have the effect of reducing its fair market value. Based on the findings and conclusions in Section V.(2) of this report, laws enacted or adopted since the claimants acquired the subject property restrict the claimants’ desired use of the property. The claimants estimate that the effect of the regulations on the fair market value of the subject property is a reduction of \$1.9 million.

Without an appraisal or other documentation and without verification of whether or the extent to which the claimants’ use of the subject property was allowed under the standards in effect when they acquired the property, it is not possible to substantiate the specific dollar amount by which the land use regulations have reduced the fair market value of the property. Nevertheless, based on the evidence in the record for this claim, the department determines that the fair market value of the subject property has been reduced to some extent as a result of land use regulations enforced by the Commission or the department.

### **4. Exemptions Under ORS 197.352(3)**

ORS 197.352 does not apply to certain land use regulations. In addition, under ORS 197.352(3), certain types of laws are exempt from ORS 197.352.

#### **Findings of Fact**

The claim is based on state land use regulations that restrict the use of the subject property, including applicable provisions of Goals 3 and 4, ORS 215 and OAR 660, divisions 6, and 33, which Linn County has implemented through its current F/F zone. With the exception of provisions of Goals 3 and 4 and ORS 215 in effect in 1976 when the claimants acquired tax lot 500, these laws were not in effect when the claimants acquired the subject property.

#### **Conclusions**

Without a specific development proposal for the subject property, it is not possible for the department to determine all the laws that may apply to a particular use of the property, or whether those laws may fall under one or more of the exemptions under ORS 197.352. It

appears that the statutory, goal and rule restrictions on residential division and development of the subject property are not exempt under ORS 197.352(3)(E) to the extent they were enacted or adopted after the claimants acquired tax lot 600 in 1968 and tax lot 500 in 1976. Provisions of Goals 3 and 4 and ORS 215 in effect when the claimants acquired tax lot 500 in 1976 are exempt under ORS 197.352(3)(E) and will continue to apply to the property.

Other laws in effect when the claimants acquired the subject property are also exempt under ORS 197.352(3)(E) and will continue to apply to the claimants' use of the property. In addition, the department notes that ORS 215.730 and OAR 660, division 6, particularly OAR 660-006-0029, include standards for siting dwellings in forest zones. These provisions include fire protection standards for dwellings and for surrounding forest lands. ORS 197.352(3)(B) specifically exempts regulations "restricting or prohibiting activities for the protection of public health and safety, such as fire and building codes. . . ." To the extent they are applicable to the claimants' property, the siting standards for dwellings in forest zones in ORS 215.730 and OAR 660, division 6, are exempt under ORS 197.352(3)(B).

There may be other laws that continue to apply to the claimants' use of the subject property that have not been identified in the claim. In some cases, it will not be possible to know which laws apply to a use of the subject property until there is a specific proposal for that use. When the claimants seek a building or development permit to carry out a specific use, it may become evident that other state laws apply to that use. In some cases, some of these laws may be exempt under ORS 197.352(3)(A) to (D).

This report addresses only those state laws that are identified in the claim, or that the department is certain apply to the subject property based on the uses that the claimants have identified. Similarly, this report only addresses the exemptions provided for under ORS 197.352(3) that are clearly applicable, given the information provided to the department in the claim. The claimants should be aware that the less information they have provided to the department in the claim, the greater the possibility that there may be additional laws that will later be determined to continue to apply to their use of the subject property.

## **VI. FORM OF RELIEF**

ORS 197.352(1) provides for payment of compensation to an owner of private real property if the Commission or the department has enforced one or more laws that restrict the use of the property in a manner that reduces its fair market value. In lieu of compensation, the department may choose to not apply the law in order to allow the present owner to carry out a use of the property permitted at the time the present owner acquired the property. The Commission, by rule, has directed that if the department determines a claim is valid, the Director of the department must provide only non-monetary relief unless and until funds are appropriated by the legislature to pay claims.

### **Findings of Fact**

Based on the findings and conclusions set forth in this report, laws enforced by the Commission or the department restrict the claimants' desired use of the subject property. The claim asserts that existing state land use regulations enforced by the Commission or the department have the effect of reducing the fair market value of the subject property by \$1.9 million. However,

because the claim does not provide an appraisal or other relevant evidence demonstrating that the land use regulations described in Section V.(2) reduce the fair market value of the subject property, a specific amount of compensation cannot be determined. In order to determine a specific amount of compensation due for this claim, it would also be necessary to verify whether or the extent to which the claimants' desired use of the property was allowed under the standards in effect when they acquired the property. Nevertheless, based on the record for this claim, the department has determined that the laws on which the claim is based have reduced the fair market value of the subject property to some extent.

No funds have been appropriated at this time for the payment of claims. In lieu of payment of compensation, ORS 197.352 authorizes the department to modify, remove or not apply all or parts of certain land use regulations to allow John and Emma Alvin to use the subject property for a use permitted at the time they acquired tax lot 600 on September 23, 1968, and at the time John Alvin acquired tax lot 500 on April 27, 1976, and Emma Alvin acquired tax lot 500 on May 14, 1976.

### **Conclusions**

Based on the record, the department recommends that the claim be approved, subject to the following terms:

1. In lieu of compensation under ORS 197.352, the State of Oregon will not apply the following laws to John and Emma Alvin's division of tax lot 500 into sixteen 5-acre parcels and tax lot 600 into four parcels or to their development of a dwelling on each resulting undeveloped parcel: applicable provisions of Goals 3 and 4, ORS 215 and OAR 660, divisions 6, and 33, enacted or adopted after each claimant acquired each tax lot. These land use regulations will not apply to the claimants only to the extent necessary to allow them to use the subject property for the use described in this report, and only to the extent that use was permitted when they acquired tax lot 600 on September 23, 1968, when John Alvin acquired tax lot 500 on April 27, 1976, and when Emma Alvin acquired tax lot 500 on May 14, 1976.
2. The action by the State of Oregon provides the state's authorization to the claimants to use the subject property for the use described in this report, subject to the standards in effect on September 23, 1968, for tax lot 600, and on April 27, 1976, and May 14, 1976, for tax lot 500. In 1976, tax lot 500 was subject to applicable provisions of Goal 3 or 4 and ORS 215 then in effect.
3. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit, license or other form of authorization or consent, the order will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a "permit" as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies and restrictions on the use of the subject property imposed by private parties.
4. Any use of the property by the claimants under the terms of the order will remain subject to the following laws: (a) those laws not specified in (1) above; (b) any laws enacted or enforced

by a public entity other than the Commission or the department; and (c) those laws not subject to ORS 197.352 including, without limitation, those laws exempted under ORS 197.352(3).

5. Without limiting the generality of the foregoing terms and conditions, in order for the claimants to use the subject property, it may be necessary for them to obtain a decision under ORS 197.352 from a city and/or county and/or metropolitan service district that enforces land use regulations applicable to the property. Nothing in this order relieves the claimants from the necessity of obtaining a decision under ORS 197.352 from a local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the subject property by the claimants.
