Claimants: Leroy E. and Beverley A. Becker

Enclosed, in regard to the above-referenced claim for compensation under Ballot Measure 37 (ORS 197.352), is the Final Staff Report and Recommendation of the Department of Land Conservation and Development, and the Final Order.

This Final Staff Report and Recommendation and the Final Order constitute the final decision on this claim. No further action will be taken on this matter.

BEFORE THE DEPARTMENT OF ADMINISTRATIVE SERVICES,
THE DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT OF
THE STATE OF OREGON

IN THE MATTER OF THE CLAIM FOR) FINAL ORDER
COMPENSATION UNDER ORS 197.352) CLAIM NO. M131233
(BALLOT MEASURE 37) OF)
Leroy E. Becker and Beverley A. Becker, CLAIMANTS)

Claimants: Leroy E. Becker and Beverley A. Becker (the Claimant)

Property: Township 28S, Range 13W, Section 11, Tax lots 700¹ and 1300
Coos County (the Property)

Claim: The demand for compensation and any supporting information received from the
Claimants by the State of Oregon (the Claim).

Claimants submitted the Claim to the State of Oregon under ORS 197.352. Under OAR 125-145-0010 *et seq.*, the Department of Administrative Services (DAS) referred the Claim to the Department of Land Conservation and Development (DLCD) as the regulating entity. This order is based on the record herein, including the Findings and Conclusions set forth in the Final Staff Report and Recommendation of DLCD (the DLCD Report) attached to and by this reference incorporated into this order.

ORDER

The Claim is approved as to laws administered by DLCD and the Land Conservation and Development Commission (LCDC) for the reasons set forth in the DLCD Report, and subject to the following terms:

1. In lieu of compensation under ORS 197.352, the State of Oregon will not apply the following laws to Leroy and Beverley Becker's division of the 41.32-acre subject property into eight 5-acre parcels or to their development of a dwelling on each resulting undeveloped parcel: applicable provisions of Goals 3 and 4, ORS 215 and OAR 660, divisions 6, and 33, enacted or adopted after the claimants acquired each tax lot. These laws will not apply to the claimants only to the extent necessary to allow them to use the subject property for the use described in this report, and only to the extent that use was permitted when they acquired tax lot 1300 on July 6, 1972, and tax lot 700 on January 13, 1988.

2. The action by the State of Oregon provides the state's authorization to the claimants to use the subject property for the use described in this report, subject to the standards in effect on July 6, 1972, for tax lot 1300 and January 13, 1988, for tax lot 700. On January 13, 1988, tax lot 700 was subject to compliance with Goal 3 and OAR 660, division 5, as implemented by Coos County's acknowledged EFU zone, and the applicable provisions ORS 215 then in effect.

¹ Tax lot 700 appears on the tax assessor's map for Section 11; however, tax lot 700 is physically located in both Sections 10 and 11.

3. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit, license or other form of authorization or consent, the order will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a "permit" as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies and restrictions on the use of the subject property imposed by private parties.

4. Any use of the subject property by the claimants under the terms of the order will remain subject to the following laws: (a) those laws not specified in (1) above; (b) any laws enacted or enforced by a public entity other than the Commission or the department; and (c) those laws not subject to ORS 197.352 including, without limitation, those laws exempted under ORS 197.352(3).

5. Without limiting the generality of the foregoing terms and conditions, in order for the claimants to use the subject property, it may be necessary for them to obtain a decision under ORS 197.352 from a city and/or county and/or metropolitan service district that enforces land use regulations applicable to the property. Nothing in this order relieves the claimants from the necessity of obtaining a decision under ORS 197.352 from a local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the subject property by the claimants.

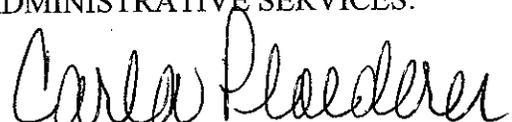

6. Nothing in this report or the state's final order for this claim constitutes any determination of ownership by the State of Oregon as to submerged or submersible lands, or as to public rights to the use of waters of the state.

This Order is entered by the Manager for the Measure 37 Services Division of DLCD and the Land Conservation and Development Commission under ORS 197.352, OAR 660-002-0010(8), and OAR 125, division 145, and by the Manager of the Measure 37 Services Unit of the DAS as a final order of DAS under ORS 197.352, OAR 125, division 145, and ORS 293.

STATE CLAIM NUMBER: M131233

NAMES OF CLAIMANTS: Leroy E. Becker
Beverley A. Becker

MAILING ADDRESS: 83985 514th Avenue
Elgin, Nebraska 68636

PROPERTY IDENTIFICATION: Township 28S, Range 13W, Section 11
Tax lots 700¹ and 1300
Coos County

DATE RECEIVED BY DAS: November 24, 2006

DEADLINE FOR FINAL ACTION:² May 17, 2008

I. SUMMARY OF CLAIM

The claimants, Leroy and Beverley Becker, seek compensation in the amount of \$700,000 for the reduction in fair market value as a result of land use regulations that are alleged to restrict the use of certain private real property. The claimants desire compensation or the right to divide the 41.32-acre subject property into eight 5-acre parcels and to develop a dwelling on each resulting undeveloped parcel.³ The subject property is located at 56974 Fat Elk Road, near Coquille, in Coos County. (See claim.)

II. SUMMARY OF STAFF RECOMMENDATION

Based on the findings and conclusions set forth below, the Department of Land Conservation and Development (the department) has determined that the claim is valid. Department staff recommends that, in lieu of compensation, the requirements of the following state laws enforced by the Land Conservation and Development Commission (the Commission) or the department

¹ Tax lot 700 appears on the tax assessor's map for Section 11; however, tax lot 700 is physically located in both Sections 10 and 11.

² ORS 197.352, as originally enacted, required that final action on claims made under Measure 37 be made within 180 days of the date the claim was filed. In response to the large volume of claims filed in late 2006, the Oregon legislature passed House Bill 3546, which became effective on May 10, 2007. This legislation increased the amount of time state and local governments have to take final action on Measure 37 claims filed on or after November 1, 2006, by 360 days, to a total of 540 days.

³ The subject property includes two tax lots. Tax lot 700 consists of 10.5 acres and tax lot 1300 consists of 30.82 acres.

not apply to Leroy and Beverley Becker's division of the 41.32-acre subject property into eight 5-acre parcels and to their development of a dwelling on each resulting undeveloped parcel: applicable provisions of Statewide Planning Goals 3 (Agricultural Lands) and 4 (Forest lands), ORS 215 and Oregon Administrative Rules (OAR) 660, divisions 6, and 33, enacted or adopted after the claimants acquired each tax lot. These laws will not apply to the claimants only to the extent necessary to allow them to use the subject property for the use described in this report, and only to the extent that use was permitted when they acquired tax lot 1300 on July 6, 1972, and tax lot 700 on January 13, 1988. (See the complete recommendation in Section VI. of this report.)

III. COMMENTS ON THE CLAIM

Comments Received

On July 9, 2007, pursuant to OAR 125-145-0080, the Oregon Department of Administrative Services (DAS) provided written notice to the owners of surrounding properties. According to DAS, no written comments were received in response to the 15-day notice.

IV. TIMELINESS OF CLAIM

Requirement

ORS 197.352(5) requires that a written demand for compensation be made:

1. For claims arising from land use regulations enacted prior to the effective date of Measure 37 (December 2, 2004), within two years of that effective date, or the date the public entity applies the land use regulation as an approval criteria to an application submitted by the owner, whichever is later; or
2. For claims arising from land use regulations enacted after the effective date of Measure 37 (December 2, 2004), within two years of the enactment of the land use regulation, or the date the owner of the property submits a land use application in which the land use regulation is an approval criteria, whichever is later.

Findings of Fact

This claim was submitted to DAS on November 24, 2006, for processing under OAR 125, division 145. The claim identifies Coos County's Exclusive Farm Use (EFU) and Forest (F) zoning as the basis for the claim. Only laws that were enacted or adopted prior to December 2, 2004, are the basis for this claim.

Conclusions

The claim has been submitted within two years of the effective date of Measure 37 (December 2, 2004), based on land use regulations enacted or adopted prior to December 2, 2004, and is therefore timely filed.

V. ANALYSIS OF CLAIM

1. Ownership

ORS 197.352 provides for payment of compensation or relief from specific laws for “owners” as that term is defined in ORS 197.352. ORS 197.352(11)(C) defines “owner” as “the present owner of the property, or any interest therein.”

Findings of Fact

The claimants, Leroy and Beverley Becker, initially acquired both tax lots 700 and 1300 on July 6, 1972, as reflected by a special warranty deed included with the claim. However, on July 10, 1978, the claimants conveyed tax lot 700 to a family member, John Carl Becker, as evidenced by a warranty deed included with the claim. John Becker conveyed tax lot 700 back to the claimants, Leroy and Beverly Becker, on January 13, 1988, as evidenced by a quitclaim deed included with the claim. The Coos County Assessor’s Office confirms the claimants’ current ownership of the subject property.

Conclusions

The claimants, Leroy and Beverley Becker, are “owners” of the subject property, as that term is defined by ORS 197.352(11)(C), as of July 6, 1972, for tax lot 1300 and as of January 13, 1988, for tax lot 700. John Carl Becker and Leroy and Beverly Becker are “family members” as that term is defined by ORS 197.352(11)(A) and first acquired tax lot 700 on July 6, 1972.

2. The Laws That are the Basis for This Claim

In order to establish a valid claim, ORS 197.352(1) requires, in part, that a law must restrict the claimants’ use of private real property in a manner that reduces the fair market value of the property relative to how the property could have been used at the time the claimants or a family member acquired the property.

Findings of Fact

The claim indicates that the claimants desire to divide the 41.32-acre subject property into eight 5-acre parcels and to develop a dwelling on each resulting undeveloped parcel, and that the property’s current zoning prevents the desired use.

The claim is based generally on the applicable provisions of state law that require EFU and Forest zoning and restrict uses on EFU- and forest-zoned land.

Tax lot 700 and a portion of tax lot 1300 are zoned EFU by Coos County as required by Goal 3, in accordance with ORS 215 and OAR 660, division 33, because the claimants’ property is “agricultural land” as defined by Goal 3.⁴ Goal 3 became effective on January 25, 1975, and required that agricultural lands as defined by Goal 3 be zoned EFU pursuant to ORS 215.

⁴ The claimants’ property is “agricultural land” because it contains Natural Resources Conservation Service Class I–IV soils.

Current land use regulations, particularly ORS 215.263, 215.284 and 215.780 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, prohibit the division of EFU-zoned land into parcels less than 80 acres and establish standards for the development of dwellings on existing or any proposed parcel on that land.

ORS 215.780 establishes an 80-acre minimum size for the creation of new lots or parcels in EFU zones and became effective on November 4, 1993 (Chapter 792, Oregon Laws 1993). ORS 215.263 (2005 edition) establishes standards for the creation of new parcels for non-farm uses and dwellings allowed in an EFU zone.

OAR 660-033-0135 (applicable to farm dwellings) became effective on March 1, 1994, and interprets the statutory standard for a primary dwelling in an EFU zone under ORS 215.283(1)(f). OAR 660-033-0130(4) (applicable to non-farm dwellings) became effective on August 7, 1993, and was amended to comply with ORS 215.284(4) on March 1, 1994.⁵

A portion of tax lot 1300 is zoned F by Coos County as required by Goal 4, in accordance with ORS 215 and OAR 660, division 6, because the claimants' property is "forest land" under Goal 4. Goal 4 became effective on January 25, 1975, and requires that forest land be zoned for forest use.

Current land use regulations, including ORS 215.705 to 215.755 and 215.780 and OAR 660, division 6, enacted or adopted pursuant to Goal 4, generally prohibit the division of forest-zoned land into parcels less than 80 acres and establish standards for development of dwellings on existing or proposed parcels on that land.

ORS 215.780 generally establishes an 80-acre minimum size for the creation of new lots or parcels on forest-zoned land and became effective on November 4, 1993 (Chapter 792, Oregon Laws 1993). ORS 215.705 to 215.755 establish standards for the creation of new parcels and dwellings allowed in forest zones.

OAR 660, division 6, became effective on September 1, 1982, to implement Goal 4 and establish standards for divisions and development of land zoned for forest use, and was amended on March 1, 1994, to implement ORS 215.705 to 215.755 and 215.780. OAR 660-006-0025 interprets the goal and statutory standard for uses allowed in forest zones. OAR 660-006-0026 interprets land division requirements in forest zones, and 660-006-0027 and 660-006-0029 interpret the standards for dwellings in forest zones.

The claimants acquired tax lot 1300 and the claimants' family first acquired tax lot 700 in 1972, prior to the adoption of the statewide planning goals and their implementing statutes and regulations. No county zoning applied to the subject property in 1972.

⁵ The Commission subsequently adopted amendments to OAR 660-033-0100, -0130 and -0135 to comply with House Bill 3326 (Chapter 704, Oregon Laws 2001, effective on January 1, 2002), which were effective on May 22, 2002. These amendments clarified but did not further restrict dwelling standards for EFU-zoned land.

Conclusions

The current zoning requirements, minimum lot size and dwelling standards established by applicable provisions of Goals 3 and 4, ORS 215 and OAR 660, divisions 6, and 33, were all enacted or adopted after the claimants acquired tax lot 1300 and the claimants' family acquired tax lot 700. These laws restrict the use of the subject property relative to the uses allowed when the claimants and their family acquired the property.

3. Effect of Regulations on Fair Market Value

In order to establish a valid claim, ORS 197.352(1) requires that the land use regulation(s) (described in Section V.(2) of this report) must have "the effect of reducing the fair market value of the property, or any interest therein."

Findings of Fact

The claim includes an estimate of \$700,000 as the reduction in the subject property's fair market value due to the regulations that restrict the claimants' desired use of the property. This amount is based on a realtor's assessment of the subject property's value.

Conclusions

As explained in Section V.(1) of this report, the claimants are Leroy and Beverley Becker who acquired tax lot 1300 in 1972 and whose family acquired tax lot 700 in 1972. Under ORS 197.352, the claimants are due compensation for land use regulations that restrict the use of the property and have the effect of reducing its fair market value. Based on the findings and conclusions in Section V.(2) of this report, laws enacted or adopted since the claimants acquired tax lot 1300 and their family acquired tax lot 700 restrict the claimants' desired use of the property. The claimants estimate that the effect of the regulations on the fair market value of the subject property is a reduction of \$700,000.

Without an appraisal or other documentation, it is not possible to substantiate the specific dollar amount by which the land use regulations have reduced the fair market value of the subject property. Nevertheless, based on the evidence in the record for this claim, the department determines that the fair market value of the subject property has been reduced to some extent as a result of land use regulations enforced by the Commission or the department since the claimants acquired tax lot 1300 and the claimants' family acquired tax lot 700.

4. Exemptions Under ORS 197.352(3)

ORS 197.352 does not apply to certain land use regulations. In addition, under ORS 197.352(3), certain types of laws are exempt from ORS 197.352.

Findings of Fact

The claim is based on state land use regulations that restrict the use of the subject property, including applicable provisions of Goals 3 and 4, ORS 215 and OAR 660, divisions 6, and 33, which Coos County has implemented through its current EFU and F zones. All of these land use

regulations were enacted or adopted after the claimants acquired tax lot 1300 and their family acquired tax lot 700.

Conclusions

Without a specific development proposal for the subject property, it is not possible for the department to determine all the laws that may apply to a particular use of the property, or whether those laws may fall under one or more of the exemptions under ORS 197.352. It appears that none of the general statutory, goal and rule restrictions on division and development of the claimants' property were in effect when the claimants acquired tax lot 1300 in 1972 and the claimants' family acquired tax lot 700 in 1972. As a result, these laws are not exempt under ORS 197.352. Laws in effect when the claimants and their family acquired the subject property are exempt under ORS 197.352(3)(E) and do not provide a basis for compensation. In addition, laws enacted or adopted for a purpose set forth in ORS 197.352(3)(A) to (D) are also exempt and would not provide a basis for compensation.

VI. FORM OF RELIEF

ORS 197.352(1) provides for payment of compensation to an owner of private real property if the Commission or the department has enforced one or more laws that restrict the use of the property in a manner that reduces its fair market value. In lieu of compensation, the department may choose to not apply the law in order to allow the present owner to carry out a use of the property permitted at the time the present owner acquired the property. The Commission, by rule, has directed that if the department determines a claim is valid, the Director of the department must provide only non-monetary relief unless and until funds are appropriated by the legislature to pay claims.

Findings of Fact

Based on the findings and conclusions set forth in this report, laws enforced by the Commission or the department restrict the claimants' desired use of the subject property. The claim asserts that existing state land use regulations enforced by the Commission or the department have the effect of reducing the fair market value of the subject property by \$700,000. However, because the claim does not provide an appraisal or other relevant evidence demonstrating that the land use regulations described in Section V.(2) reduce the fair market value of the subject property, a specific amount of compensation cannot be determined. In order to determine a specific amount of compensation due for this claim, it would also be necessary to verify whether or the extent to which the claimants' desired use of the subject property was allowed under the standards in effect when the claimants acquired tax lot 1300 and their family acquired tax lot 700. Nevertheless, based on the record for this claim, the department has determined that the laws on which the claim is based have reduced the fair market value of the subject property to some extent.

No funds have been appropriated at this time for the payment of claims. In lieu of payment of compensation, ORS 197.352 authorizes the department to modify, remove or not apply all or parts of certain land use regulations to allow Leroy and Beverley Becker to use the subject property for a use permitted at the time they acquired tax lot 1300 on July 6, 1972, and tax lot 700 on January 13, 1988.

At the time the claimants acquired tax lot 700, it was subject to Coos County's acknowledged comprehensive plan and EFU zone.⁶ The claimants' desired use of tax lot 700 would have been subject to compliance with Goal 3, and OAR 660, division 5, as implemented through the county's acknowledged EFU zone, and the applicable provisions of ORS 215 then in effect.⁷ In 1988, ORS 215.263 (1987 edition) required that divisions of land in EFU zones be "appropriate for the continuation of the existing commercial agricultural enterprise within the area" or not smaller than the minimum size in the county's acknowledged plan. ORS 215.283(1)(f) (1987 edition) generally allowed farm dwellings "customarily provided in conjunction with farm use." Non-farm dwellings were allowed under ORS 215.283(3) if they were determined to be compatible with farm use, not interfere seriously with accepted farm practices, not materially alter the stability of the land use pattern in the area and be situated on generally unsuitable land for the production of farm crops and livestock.

The claim does not establish whether or to what extent the claimants' desired division and development of tax lot 700 were allowed under the standards in effect when they acquired that tax lot on January 13, 1988.

In addition to the applicable provisions of Goal 3, ORS 215 and OAR 660 in effect when the claimants acquired tax lot 700 on January 13, 1988, and other laws in effect when the claimants acquired the subject property, there may be other laws that apply to the claimants' use of the property that have not been identified in the claim. The department notes that ORS 215.730 and OAR 660, division 6, particularly OAR 660-006-0027, -0029 and -0035, include fire protection standards for dwellings and structures in forest zones. ORS 197.352 (3)(B) specifically exempts regulations "restricting or prohibiting activities for the protection of public health and safety, such as fire and building codes. . . ." Accordingly, the siting standards for dwellings and structures in forest zones in ORS 215.730 and OAR 660, division 6, are exempt under ORS 197.352(3)(B).

In some cases, it will not be possible to know which laws apply to a use of the subject property until there is a specific proposal for that use. When the claimants seek a building or development permit to carry out a specific use, it may become evident that other state laws apply to that use, and depending on when they were enacted or adopted, may continue to apply to the claimants' property. In addition, some of these laws may be exempt under ORS 197.352(3)(A) to (D) and will continue to apply to the subject property on that basis.

This report addresses only those state laws that are identified in the claim, or that the department is certain apply to the subject property based on the uses that the claimants have identified. Similarly, this report only addresses the exemptions provided for under ORS 197.352(3) that are clearly applicable given the information provided to the department in the claim. The claimants should be aware that the less information they have provided to the department in their claim, the

⁶ Coos County's EFU zone was acknowledged by the Commission for compliance with Goal 3 on August 29, 1985.

⁷ After the county's comprehensive plan and land use regulations were acknowledged by the Commission as complying with the statewide planning goals, the goals and implementing rules no longer applied directly to individual local land use decisions. *Byrd v. Stringer*, 295 Or 311 (1983). However, statutory requirements continue to apply, and insofar as the state and local provisions are materially the same, the local provisions must be interpreted consistent with the substance of the goals and implementing rules. *Forster v. greater the possibility that there may be additional laws that will later be determined to continue to apply to their use of the subject property.

Conclusions

Based on the record, the department recommends that the claim be approved, subject to the following terms:

1. In lieu of compensation under ORS 197.352, the State of Oregon will not apply the following laws to Leroy and Beverley Becker's division of the 41.32-acre subject property into eight 5-acre parcels or to their development of a dwelling on each resulting undeveloped parcel: applicable provisions of Goals 3 and 4, ORS 215 and OAR 660, divisions 6, and 33, enacted or adopted after the claimants acquired each tax lot. These laws will not apply to the claimants only to the extent necessary to allow them to use the subject property for the use described in this report, and only to the extent that use was permitted when they acquired tax lot 1300 on July 6, 1972, and tax lot 700 on January 13, 1988.
2. The action by the State of Oregon provides the state's authorization to the claimants to use the subject property for the use described in this report, subject to the standards in effect on July 6, 1972, for tax lot 1300 and January 13, 1988, for tax lot 700. On January 13, 1988, tax lot 700 was subject to compliance with Goal 3 and OAR 660, division 5, as implemented by Coos County's acknowledged EFU zone, and the applicable provisions ORS 215 then in effect.
3. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit, license or other form of authorization or consent, the order will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a "permit" as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies and restrictions on the use of the subject property imposed by private parties.
4. Any use of the subject property by the claimants under the terms of the order will remain subject to the following laws: (a) those laws not specified in (1) above; (b) any laws enacted or enforced by a public entity other than the Commission or the department; and (c) those laws not subject to ORS 197.352 including, without limitation, those laws exempted under ORS 197.352(3).
5. Without limiting the generality of the foregoing terms and conditions, in order for the claimants to use the subject property, it may be necessary for them to obtain a decision under ORS 197.352 from a city and/or county and/or metropolitan service district that enforces land use regulations applicable to the property. Nothing in this order relieves the claimants from the necessity of obtaining a decision under ORS 197.352 from a local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the subject property by the claimants.
6. Nothing in this report or the state's final order for this claim constitutes any determination of ownership by the State of Oregon as to submerged or submersible lands, or as to public rights to the use of waters of the state.
