## MOTION TO INTERVENE

James Elwood and Jett C. Blackburn, the applicants below, move to intervene in this consolidated appeal. There is no opposition to the motion, and it is allowed.

## **MOTION TO DISMISS**

Petitioners Warburton, Elshoff, and Great Basin Society (hereafter petitioners) move to dismiss this consolidated appeal. The decision challenged in this consolidated appeal is a September 15, 1999 decision that rezoned certain property from EFRU-1 to C-1. Petitioners attach a copy of a May 3, 2000 county decision that rescinds the appealed rezoning decision and returns the property to EFRU-1 zoning. Motion to Dismiss 1. Petitioners represent that all parties in this consolidated appeal and all parties to the local proceedings who were entitled to notice of the May 3, 2000 decision were provided copies of the May 3, 2000 decision on June 12, 2000. Petitioners contend that this consolidated appeal should therefore be dismissed as moot.

Petitioners' motion to dismiss was filed and served on all parties on June 21, 2000. Under our rules, all parties had until July 5, 2000 to file a response objecting to the motion to dismiss. No party has filed a response. Accordingly, this consolidated appeal is dismissed.
