**ORS 676.175 Complaints and investigations confidential; exceptions; fees.** (1) A health professional regulatory board shall keep confidential and not disclose to the public any information obtained by the board as part of an investigation of a licensee or applicant, including complaints concerning licensee or applicant conduct and information permitting the identification of complainants, licensees or applicants. However, the board may disclose information obtained in the course of an investigation of a licensee or applicant to the extent necessary to conduct a full and proper investigation.

**Reminder to all Board Members:** Please contact Board staff if you have any questions about the cases or about any inspections before the Board meeting. Staff can answer or research and then have any documents available before the meeting. This would help save everyone time during our meeting.
