The Board of Examiners of Nursing Home Administrators' mission is to protect the public by developing, imposing and enforcing standards, which shall be met by individuals in order to receive and retain a license as an Oregon nursing home administrator. The Board fulfills its charge by insuring that nursing home administrators meet and maintain certain standards for practice and through the investigation of consumer complaints.

Board members are appointed to serve a three-year initial term and are eligible for one three-year reappointment. The Board meets quarterly in the months of January, April, July and October; however, they may convene special meetings (generally via teleconference) during the year. Board members are reimbursed for their travel, accommodation and meal expenses in accordance with state reimbursement schedules.

Members of Oregon state boards and commissions are vital participants in policymaking, regulation, advisory and advocacy efforts affecting all Oregonians. When you join a board or commission, the public and the government become the beneficiaries of your experience and expertise. Accordingly, Oregonians are encouraged to become actively involved in the administration of state government.

Interested persons are encouraged to contact the board office at 971-673-0196 or the Governor's office at 503-378-3123. Interest Forms and information are available on the Governor's website at www.governor.state.or.us (select the *Boards & Commissions* link).

The Board welcomes all forms of diversity and the benefits that come with diversity: new thinking, stronger economy, increased understanding, awareness, and greater social justice.
