Public Statement

For Immediate Release

## CHIROPRACTOR SURRENDERS LICENSE

The Oregon Board of Chiropractic Examiners (OBCE) has accepted the surrender of the chiropractic license of Todd Hansen effective September 12, 2012.

On October 26, 2011, the Board issued an Amended Notice of Proposed Disciplinary Action for Revocation against Licensee. In the notice, there were several allegations of violations in regards to violations of the Board's previous orders; several allegations that Licensee caused physical injury to patients during treatment, and unprofessional conduct in relations to inappropriate sexual contact or remarks to patients he provided treatment to. Rather than proceed to a hearing, Hansen chose to surrender his license.

According to Board President Ann Goldeen DC, Astoria, "The Board is fulfilling our public protection mission with this action. License revocation is rarely done and indicates the severity of the violations. We're hopeful this will send a strong message to practitioners regarding professional boundaries and safe practice."

This is the Stipulated Final Order along with the Amended Notice:
