The Board reviewed the Administrative Law Judge's proposed order. They accepted the majority of ALJ's findings and the broad outlines of his proposed sanctions (90 day suspension with the remainder of the suspension up to three years stayed; \$20,000 civil penalty, Plan of Supervision, and cost recovery). The Board added additional findings that specifically noted Licensee's past disciplinary history and his demonstrated lack of candor. The Board added additional standard language concerning mentoring plans and file reviews to this order. The Amended Proposed Order is available through the Licensee Lookup feature on the OBCE's web page ([www.oregon.gov/obce](http://www.oregon.gov/obce)).

The Board proposes to amend and clarify the Administrative Law Judges proposed order and give respondent 10 days to file exceptions. Steve Koc moved; Cookie Parker Kent seconded the motion.
