Amendment of Rule: 811-035-0005 (2) (Duties and Obligations)

811-010-0071 New subsection (2)

Need for the Rule(s):

811-035-0005 (2) (Duties and Obligations): The current rule on informed consent is ambiguous regarding informed consent for examination procedures. The Board of Chiropractic wants to clarify these informed consent requirements to make the rule requirement for informed consent more explicit.

811-035-0015 (18) (Unprofessional Conduct): This section needs to be amended to allow an open book examination for the revised Ethics and Jurisprudence state examination.

811-010-0071 New subsection (2): HB 2058 passed the 2009 Legislature which allows health regulatory boards to determine board member per diem by administrative rule. HB 5054 passed approving an increase in funding for OBCE board member per diem. The proposed level of \$139 per day recognizes the major time commitment required of board members.

Documents Relied Upon, and where they are available:

Oregon Administrative Rules 811. Legislation passed in 2009 (HB 2058 and HB 5054), staff memos regarding Ethics and Jurisprudence Examination update; and current OAR 811.

Fiscal and Economic Impact, including Statement of Cost of Compliance: There is a \$18,309 fiscal impact to the agency for the board member per diem over a two-year period. This was approved by the 2009 Legislature. There is no fiscal impact for the other two rule proposals.

How were small businesses involved in the development of this rule? A public notice is being sent to the OBCE's public notice mailing list and chiropractic clinics are represented on the OBCE Rules Advisory Committee.

Administrative Rule Advisory Committee consulted?: The OBCE Rules Advisory Committee is meeting to review these proposals on Tuesday, October 20, 2009.
