Board of Medical Imaging
Agency and Division

337
Administrative Rules Chapter Number

Allow two new imaging subspecialties to be recognized on medical imaging licenses.

Rule Caption (Not more than 15 words that reasonably identifies the subject matter of the agency's intended action.)

In the Matter of:

Allow two new imaging subspecialties to be recognized on medical imaging license.

Statutory Authority:

ORS 688.555

Other Authority:

Statutes Implemented:

ORS 688.445;

Need for the Rule(s):

Current board rules list the subspecialties that the board will recognize. The subspecialties are developed by national imaging registries. Two of those registries have each recently developed and offered a new subspecialty. The only way the board can list those new sub-specialty credentials on a technologist's Oregon license is to add those subspecialties to the list of recognized subspecialties in the OBMI rules.

Documents Relied Upon, and where they are available:

Draft board minutes from January 16, 2015, on the OBMI website at www.oregon.gov/obmi.

Copy of draft rule, on the OBMI website at www.oregon.gov/obmi.

Fiscal and Economic Impact:

None.

Statement of Cost of Compliance:

1. Impact on state agencies, units of local government and the public (ORS 183.335(2)(b)(E)):

None.

2. Cost of compliance effect on small business (ORS 183.336):

a. Estimate the number of small business and types of businesses and industries with small businesses subject to the rule:

None.

b. Projected reporting, recordkeeping and other administrative activities required for compliance, including costs of professional services:

None.

c. Equipment, supplies, labor and increased administration required for compliance:

None.

How were small businesses involved in the development of this rule?

Small businesses were not involved, as this rule is expected to have no fiscal impact and no cost to businesses.

Administrative Rule Advisory Committee consulted?:No

If not, why?:

This rule is expected to have no cost or fiscal impact.
