Temporary Licensee

(1) Temporary License

(A) Students who have successfully completed, or will successfully complete within 6 months, an approved school's didactic and clinical programs may apply for a temporary license that will be effective upon completion of the approved school's program.

(B) A temporary license is intended to allow graduates of an approved school to gain additional paid medical imaging experience in the applicable imaging modality before completing required credentialing examinations.

(C) With a letter to OBMI from the medical imaging program director at a student's school, indicating that the student is in good standing and is in the process of meeting educational requirements for graduation on a date specified, and that the student is competent to work under supervision, a temporary license may be issued which will be valid up to three months prior to the specified graduation date.

~~(C)~~ (D) A temporary license is valid for 6 months and may be renewed for a single six-month renewal period upon Board approval.

~~(D)~~ (E) A temporary licensee must apply to the Board for a medical imaging license within 30 days of being awarded a credential in a medical imaging modality by a recognized credentialing organization.

~~(E)~~ (F) If a temporary licensee is also licensed by the Board in another medical imaging modality, the restrictions of this subsection shall only apply when the individual is functioning as a temporary licensee.

(2) Temporary Licensee Supervision. A temporary licensee may only operate the applicable medical imaging modality under the direct supervision of a licensed physician, or an individual licensed by the Board and credentialed by a credentialing organization in the medical imaging modality identified on the temporary license. For purposes of this subsection, direct supervision means that the supervisor is physically present in the building and available to assist the temporary licensee as needed.
