Subject: Max Payment Calculator for health care providers

For many years, health care providers have wanted a simple way to verify whether they received the correct payment amount for medical services provided to Oregon workers' compensation patients.

The Workers' Compensation Division has developed an online medical fee payment calculator that is now available to health care providers.

To use the "Max Payment Calculator," visit our Web site at www.oregonwcdoc.info. Scroll down under the "What's new?" section, and click on the "Max Payment Calculator" link next to the calculator symbol.

You can input up to five CPT[®] or Oregon Specific Codes for any date of service after July 1, 2008, and the calculator will display the maximum payment amount allowed under the Oregon Medical Fee and Payment Rules for each code.

If you have questions, contact the Medical Resolution Team, Workers' Compensation Division, at 503-934-6049.
