The amendments to the OAR's result from the Board's Rules Advisory Committee, Assistant Attorney General and Board staff recommendations and reflect the "norm" in industry standards and the practices of other state agencies. Amendments requiring Legislative approval have received the necessary authorization. These changes conform to the current standards the Board is operating under.

Changes include the following:

1. Amendment to OAR 800-010-0050 requires that all business advertising include the board issued registration number and/or the license number of the firm's Designated Consultant. Requires that all individual advertising include the licensee's board issued license number.
2. Amendment to OAR 800-020-0015 increases hours of work experienced required to qualify to take the Consultant examination from 780 to 1100.
