

2017 Test Dates at the Board Office in Salem

To make the exam process more efficient, the Board is now offering all tests in the Board office in Salem at least once a week. There is plenty of free parking. These tests have the usual exam application fees, but there are no additional proctor fees for the administration of the exam.

Dates currently scheduled are listed below. Group size is limited. Unfortunately, we will not be able to update this form on a regular basis, so please call to confirm seats are available before sending in your exam application. It is a good idea to list a couple of dates in order of preference. Upon request, the Board may schedule additional test dates.

Please contact Jane Billings, Exam & Education Coordinator, with any questions or ideas.
