

# 2009 Oregon Farm Direct Nutrition Program

## Roadside/Farm Stands and Farmers Markets Directory

**\*\*Checks may be used between June 1 and October 31\*\***

Availability of local fresh fruit, vegetables and cut herbs changes throughout the Farm Direct season. We recommend calling farm stands directly to confirm stand hours and produce availability.

This directory is an alphabetical listing of Counties and Cities with authorized stands and farmers markets. See page 16 for a County Index. For updates throughout the season check the following web sites: <http://oregon.gov/ODA/ADMD> or <http://www.oregonfarmersmarkets.org> or call the Oregon Department of Agriculture in Portland at 503-872-6600.
