Commodities Approved:

Containerized, cut, or balled Christmas trees of Scotch, Austrian or red pine (*Pinus sylvestris*, *P. nigra*, or *P. resinosa* respectively) and grass sod, including containerized ornamental grasses.

The Oregon Department of Agriculture hereby approves the above named Nursery/Christmas tree grower to make shipments into California of the above stated commodities. This approval does not preclude inspection and sampling or testing at the discretion of the California Department of Food and Agriculture, and rejection if required as a consequence of the findings of that inspection and/or test(s).

This approval and authorization is made subject to compliance with the following requirements.

The nursery/Christmas tree grower shall:

1. Ship under this agreement only the commodities named above that originated from areas free from Cereal Leaf Beetle and agree no commingling of regulated articles from infested areas has occurred.
2. Agree to adhere to each bill of lading for product covered under this agreement an official Cereal Leaf Beetle certificate which shall be supplied by the Oregon Department of Agriculture.

Noncompliance with the requirements stated herein may result in suspension or revocation of authorizations. Otherwise, this agreement shall remain in force until revoked by either the Oregon Department of Agriculture or by expiration (see below) and so long as the ownership and management of the Nursery/Christmas tree plantation remains unchanged. Revisions may be made as necessary to include, delete, or modify requirements.
