# STATE GOVERNMENT

## BUREAU OF LABOR AND INDUSTRIES (BOLI)

The Bureau of Labor and Industries enforces anti-discrimination laws in employment, housing and public accommodations; enforces compliance with state laws relating to wages, hours, terms and conditions of employment; educates employers to understand and comply with civil rights and other labor and employment laws; and partners with government, labor, business and educational institutions to develop a highly-skilled Oregon workforce.

**OREGON WATERSHED ENHANCEMENT BOARD**

The Oregon Watershed Enhancement Board is a state agency that provides grants to take care of Oregon's streams, rivers, wetlands and natural areas. Local community members and property owners decide jointly what needs to be done to conserve and improve rivers and natural habitat in their communities. OWEB funds come from the Oregon Lottery. The OWEB board consists of 17 Oregonians drawn from the public at large, tribes, state natural resource agency boards and commissions, universities, and federal natural resources agencies.

**US ENVIRONMENTAL PROTECTION AGENCY (EPA)****Office of Pesticide Programs, Region 10, The Pacific Northwest**

EPA's Pesticides Program is responsible for the implementation of the provisions of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) in Alaska, Idaho, Oregon, and Washington. Most FIFRA-mandated activities have been delegated to the state lead agencies. EPA's Region 10 office maintains an oversight role for these activities; provides technical assistance and pesticide label interpretation; reviews cases referred to EPA by states and tribes; conducts inspections coordinated with the states and tribes; conducts compliance monitoring for Section 7 of FIFRA; and provides oversight of the importation of pesticide products and devices to port of entries.
