

IMPORTANT NOTICE

1. The issuance of a license from the Oregon Department of Agriculture (ODA) does **NOT** mean that the ODA finds the licensed activity to be in compliance with county or municipal land use or zoning laws and ordinances.
2. As the holder of a license from ODA, you are legally obligated* to petition the affected local government (county or municipality) for a land use approval. *Required by OAR 660-031-0026.

With my signature, I affirm that I have read and understand the above notice relating to land use compatibility, and agree to contact the affected local government to petition for a land use approval as required by law.
