

# Board of Forestry – State Forests Work Plan

---

Intermediate Board Issue 10:

Review and revise the greatest permanent value and planning rules, and any other components of Division 35 the Department deems necessary...

# Agency Recommendation

---

## 1. Review of current administrative rules

629-035-0020

- Greatest Permanent Value

629-035-0030

- Forest Management Planning

Include other rules as necessary

629-035-0010

- Findings & Principles Concerning Lands Acquired under ORS Ch. 530

# Agency Recommendation

---

2. Consultation with the Forest Trust Land Advisory Committee (FTLAC);

3. Solicit input from the general public through the use of a public advisory committee (PAC);
  - Board schedule December through April reflects touch points and interaction with both the FTLAC and PAC

# Agency Recommendation

---

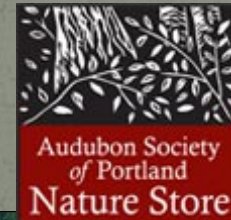

4. Focus GPV review on the extent to which those providing input feel current rule is likely to lead to the most desired set of forest benefits; and
  5. Focus planning review to evaluate whether processes prescribed by the current rule lead to a suitably effective and efficient system of decision-making.
- Drives Public Advisory Committee Charter

# Public Advisory Committee Charter

- Provide input for the Board to consider in the development of rules.
- Act as a sounding board to staff.
- Provide reports to the Board.

# Public Advisory Committee membership
