Adapting the Planning & Decision Framework

ADAPTIVE MANAGEMENT REVIEW

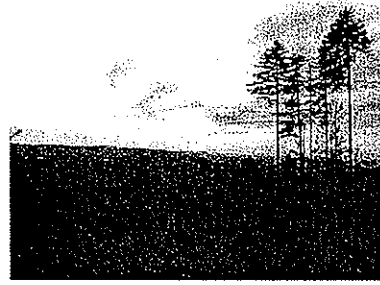

Sometimes referred to by the media
as the "guru of old growth."

Jerry Franklin – July 2008 Coping with uncertainty

- Think in shorter time frames
- Foresters think long term – 50-100 years
 - Useful to think about– 10-20 years
- Change
 - The state of the resource and societal objectives is going to change.

State Forests

- Systematic evidence review
- Land acquisitions, exchanges, and decertification
- Planning, Decision-making, and review framework
- Performance Measures
