"STEWARDSHIP IN FORESTRY"

April 10, 2009

Mike Rassbach, District Ranger
Walla Walla Ranger District

Walla Walla, WA 99362

Dear Mike,

The Umatilla County Community Wildfire Protection Plan (CWPP) has been amended to include lands east of the Umatilla County line in the general area of 4N 36E section 36, et al. This action was taken early in 2009 through joint consensus of both the Umatilla County Local Coordinating Group and the Union County Local Coordinating Group. It was mutually agreed that the properties in the affected area are more closely aligned with the Umatilla County Tollgate WUI than with any Union County WUI, and that it would be beneficial to all parties to include this area into the Tollgate WUI.

The revised Tollgate WUI boundary can be found attached to this document.

Sincerely,

David E. King, Pendleton Unit Forester
