DATE: October 3, 2016

For the **Gales Back Pocket** timber sale in the ODF Forest Grove District, scheduled for bid opening on Friday, October 21, 2016, *the 2016 density surveys have been completed and no resident spotted owls were found.* Because of this there are additional changes to the contract in the Notice of Timber Sale, and contract sections 2310 and 2455, as follows:

In **Sections 2310, Felling, and 2455, Seasonal Restrictions**, the following has been deleted:

All felling on the Timber Sale Area must be completed by March 15, 2018. This requirement may be waived if surveys for Northern Spotted Owls are continuous during the life of this contract.
