

**6. Happy New Year - Celebrate our forest  
recourses and the work we do to sustain them!**

Healthy forests provide us with clean air, water,  
vibrant communities and natural beauty. **Read  
over 50 NEW SUCCESS stories from 2006,**  
including those on: reducing landfills, improving  
water quality, reducing pollution protecting  
communities as well as a compilation of over 20  
National Fire Plan Stories. To learn more go to  
<http://www.wflcenter.org/success/> and click  
on the "new" list. To find out how to send in  
your story contact
