*Street Address* *City* *State* *Zip*

request the State Forester to inspect the following parcel for certification as eligible for the afforestation incentive provided by ORS 526.490.

**Parcel Location Description (as shown on attached map):**

Subsections: \_\_\_\_\_ Section: \_\_\_\_\_ Township: \_\_\_\_\_ Range: \_\_\_\_\_

Tax Lot Number: \_\_\_\_\_ County: \_\_\_\_\_

Acreage Afforested: \_\_\_\_\_ Date: \_\_\_\_\_ Previous Land Use: \_\_\_\_\_

Inspection Fee: \$50 + \$2 (acreage over 5 acres) = \$\_\_\_\_\_ (no more than \$200)

Wetlands within the Parcel of \_\_\_\_\_ Acres (as shown on map)

Forest Management Method at Time of Certification (check one):

Even-aged       Uneven-aged       Other: \_\_\_\_\_

The attached photographs show that the parcel meets the qualifying criteria, including that prior to afforestation it carried less than 25 feet of basal area per acre in forest tree stocking, and it has not been in commercial forest use since July 1, 1972.

I hereby give the State Forester's representative permission to enter on my property to inspect and determine whether the parcel is qualified and the afforested stand is free to grow and meets the required reforestation rule standards for acceptable species and adequate stocking.
