

Errata

2001 Northwest Oregon State Forests Management Plan

Chapter 4, page 4-78:

The sentence:

The Insect and Disease Control Law (ORS 527.310 to 527.370) states that the State Forester shall implement the Integrated Pest management process (described in ORS 634.122) on state forests.

should read as follows (corrected ORS is in bold):

The Insect and Disease Control Law (ORS 527.310 to 527.370) states that the State Forester shall implement the Integrated Pest Management process (described in **ORS 634.650**) on state forests.

Chapter 5, page 5-4:

Correct the following page reference:

(The land management classification system is described in Chapter 2, on pages 2-58 to 2-59.)

to:

(The land management classification system is described in Chapter 2, on pages **2-56 to 2-57.**)

Appendix I, page I-3

There were no significant differences in total volume, total cash flow, stand structure percentages, and acres thinned/acres harvested when comparing 4.5% and 7% discount rate. There was a significant difference in net present value.
