

OREGON DEPARTMENT OF FORESTRY FOREST TREE SEED BANK AGREEMENT

The Oregon Department of Forestry and the undersigned buyer agree as follows:

1. The Oregon Department of Forestry agrees to sell seed from the Oregon Department of Forestry Forest Tree Seed Bank to the undersigned buyer, in exchange for the undersigned buyer's agreement to the terms and conditions set forth below.
2. The undersigned buyer agrees to the following terms and conditions:
 - a. The undersigned buyer certifies that he, she or it is a family forest landowner, a family forest landowner association or organization, or a public or private nursery serving family forest landowners. A "family forest landowner" is a landowner with fewer than 5000 acres of forestland and with no wood production facility.
 - b. The undersigned buyer will plant or grow seedlings with all seed purchased and will not resell seed.
 - c. The undersigned buyer will use the seed to grow seedlings for reforestation or afforestation purposes only and will not grow seedlings for ornamental use or Christmas trees.
 - d. The undersigned buyer will sell on a priority basis all seedlings to Oregon family forest landowners. *Seedlings will be reserved for family forest landowners at least until December 15 of the year immediately preceding lifting, with surpluses released to other landowners only after this date.*
 - e. The undersigned buyer will report to the Forest Tree Seed Bank each year by April 1, **after lifting**, an inventory of seedlings grown and sold for each seed lot purchased, indicating (a) number of pounds grown, (b) number of seedlings produced, (c) percentage of seedlings sold to family forest landowners, and (d) date after which any surplus seedlings were released to other landowners.
