Area Managers Report by Mike Stinson

❖ Discussion

- US 97 Four Lane Widening Public-Private Partnership making more of Southern Oregon, Northern California, Washington, and parts of Nevada to be designated as a freight routes (numbers are going to be difficult for toll roads) what we can do to drive forward..., project along the lake, difficult in funding and constraints, questions on implemental costs, congestion, ODOT Rail needs some follow through...
- Bly Mountain, Beatty curves hit cultural snag, slow resolve, working through issues with the tribe
