I-84: The Dalles – Fifteen Mile Creek Interstate Maintenance, Bundle 226, Region 4

Notice of Subcontracting Opportunities

The Oregon Department of Transportation is planning a construction project in your area within the next 30 days.

The project—I-84: The Dalles – Fifteen Mile Creek IM, Bundle 226—is part of ODOT's OTIA III State Bridge Delivery Program. It consists of one interstate maintenance project along Interstate 84 in Wasco County.

The cost of this project is estimated to be approximately \$9.1 million. The anticipated construction bid let date is May 2009. It is estimated that construction will begin in July 2009 and be complete in December 2010.

Contracting and subcontracting opportunities are potentially available on Bundle 226. For a more detailed description of these opportunities, please contact the staff listed below. This list is for reference only, as neither ODOT nor any awarded contractor is obligated to subcontract these specific scopes of work.

- Concrete barriers
- Concrete joint repair
- Concrete survey
- Guardrail
- Paving
- Permanent striping
- Rumble strips
- Temporary impact attenuating trucks
- Temporary signs

For general information, go to <http://www.obdp.org/dashboard/projects/regions/four/> and click on Bundle 226. For information on this and other ODOT projects, go to the Bid Information section of ODOT's Procurement Office Web site at <http://www.oregon.gov/ODOT/CS/CONSTRUCTION/>.

For technical questions about Bundle 226, please contact Wayman Bolly with Oregon Bridge Delivery Partners at (503) 587-2912. You may also contact ODOT Office of Civil Rights staff members Jill Miller at (503) 986-4355 or Rob Hardie at (541) 388-6065 with any questions or to obtain more information about these contracting opportunities.
