Notice of Subcontracting Opportunities

The Oregon Department of Transportation is planning a bridge construction project in Douglas County within the next 30 days.

The project—I-5/OR 42: Winston – McLain Ave., Bundle 307—is part of ODOT's OTIA III State Bridge Delivery Program. It consists of the replacement of one bridge (07711A) and the repair of one bridge (07670A) along Interstate 5 and the repair of one bridge (01923) on Oregon 42.

The cost of this project is estimated to be \$12.7 million. The anticipated construction bid let date is May 2009. It is estimated that construction will begin in July 2009 and be complete in June 2011.

Contracting and subcontracting opportunities are potentially available on Bundle 307. For a more detailed description of these opportunities, please contact the staff listed below. This list is for reference only, as neither ODOT nor any awarded contractor is obligated to subcontract these specific scopes of work.

- Clearing and grubbing
- Construction survey
- Drainage and sewers
- Flagging
- General evacuation
- Guardrail construction
- Paving – asphalt
- Permanent pavement striping
- Permanent seeding
- Permanent signing
- Plantings
- Remove and reinstall existing signs
- Temporary construction signing
- Temporary construction striping

For general information, go to <http://www.obdp.org/dashboard/projects/regions/three/> and click on Bundle 307. For information on this and other ODOT projects, go to the Bid Information section of ODOT's Procurement Office Web site at <http://www.oregon.gov/ODOT/CS/CONSTRUCTION/>.

For technical questions about Bundle 307, please contact John Lowe with Oregon Bridge Delivery Partners at (503) 587-2924. You may also contact ODOT Office of Civil Rights staff members Jill Miller at (503) 986-4355 or Christie Meacham at (541) 957-3698 with any questions or to obtain more information about these contracting opportunities.
