Notice of Subcontracting Opportunities

The Oregon Department of Transportation is planning a bridge construction project in Coos and Douglas counties within the next six months.

The project—OR 42: Beaver Creek – Mid Fork Coquille River, Bundle 405—is part of ODOT's OTIA III State Bridge Delivery Program. It consists of the repair of nine bridges (03173A, 08843, 08876, 03212A, 08842, 08935, 00482B, 09185 and 09186) along Oregon 42.

The cost of this project is estimated to be \$13 million. The anticipated construction bid let date is November 2009. It is estimated that construction will begin in December 2009 and be complete in December 2011.

Contracting and subcontracting opportunities are potentially available on Bundle 405. The following is a general list of opportunities typically subcontracted on similar highway construction projects. This list is for reference only, as neither ODOT nor any awarded contractor is obligated to subcontract these specific scopes of work.

- Bridge engineering
- Bridge joints
- Civil engineering
- Concrete core drilling
- Concrete cutting/deck grinding
- Concrete repair/epoxy crack injection
- Environmental
- Erosion and sediment control
- Fence fabrication and installation
- Guardrail
- Noise and air
- Paving
- Permanent seeding
- Permanent striping and signage
- Ready mix concrete
- Reinforcing steel fabrication and installation
- Right of way
- Roadway design
- Survey
- Traffic control/flagging

For general information, go to <http://www.obdp.org/dashboard/projects/regions/three/> and click on Bundle 405. For information on this and other ODOT projects, go to the Bid Information section of ODOT's Procurement Office Web site at <http://www.oregon.gov/ODOT/CS/CONSTRUCTION/>.

For technical questions about Bundle 405, please contact Garry Moyer with Oregon Bridge Delivery Partners at (503) 587-2943. You may also contact ODOT Office of Civil Rights staff members Jill Miller at (503) 986-4355 or Christie Meacham at (541) 957-3698 with any questions or to obtain more information about these contracting opportunities.
