Oregon 82: Wallowa Lake Highway Bridges, Bundle 460, Region 5 Notice of Subcontracting Opportunities

The Oregon Department of Transportation is planning a bridge construction project in ODOT's Region 5 within the next six months.

Oregon 82: Wallowa Lake Highway Bridges, Bundle 460, is part of ODOT's OTIA III State Bridge Delivery Program. The project consists of the replacement of two bridges (08780 and 05192, which will be replaced by a retaining wall and fill) and the repair of one bridge (01038A) on Oregon 82 in Union and Wallowa counties.

The cost of this project is estimated to be \$15.7 million. The anticipated construction bid let date is March 2010. It is estimated that construction will be complete in March 2012.

Contracting and subcontracting opportunities are potentially available on Bundle 460. The following is a general list of opportunities typically subcontracted on similar highway construction projects. This list is for reference only, as neither ODOT nor any awarded contractor is obligated to subcontract these specific scopes of work.

- Blasting
- Bridge joints
- Concrete core drilling
- Concrete cutting/deck grinding
- Concrete repair/epoxy crack injection
- Drainage
- Drilled shaft construction
- Earthwork
- Environmental compliance
- Erosion and sediment control
- Fence fabrication and installation
- Guardrail
- MSE wall construction
- Paving
- Permanent seeding
- Permanent striping and signage
- Pile driving
- Ready mix concrete
- Reinforcing steel fabrication and installation
- Rock screen installation
- Survey
- Traffic control/flagging
- Trucking
